1. Tour of the items contained in the City Hall artifacts storage area at the Lincoln garage.

Members of the Milwaukee City Hall Historical Exhibit Work Group met Wednesday January 26, 2011 at 2:00 pm at 3801 W Lincoln Ave for a tour of the city hall artifacts.

Committee members toured the garage thoroughly and noted that many pieces of original terracotta and sheet metals had been removed from City Hall during the 2005-2008 renovation. No formal action was taken, although some suggestions were made regarding possible placement and use of the terracotta.

These matters will be discussed at the next scheduled, Historical Work Group meeting, Wednesday, March 16, 2011 at 2:00 P.M.
