RE: Elliott Torrence water damage loss 2-28-07

To whom it may concern;

Please be advised that Mr. Elliott Torrence sustained water damage to his property located at 7732 W. Burleigh St. Milwaukee, WI as the result of a City of Milwaukee water main break outside of his premises.

Our agency provides a commercial property policy for Mr. Torrence's business with Hawkeye Security Insurance, policy number BOP8199061. A claim for damages was submitted, however the claim was denied because surface water is not a covered peril under the commercial property form.

Mr. Torrence is seeking recovery for his damages from the City of Milwaukee. To date, the full extent and dollar amount of the damage is not known. The dollar amount will be declared at a later date.

If more information is required, feel free to contact myself at 262 478-3263 or Mr. Torrence at 414 841-7848. Thank you for your attention to this matter.

Sincerely,

Dave Byhardt

Subject: Damage Claim for Water Main Break (Claim #07575)

Please accept this letter as written documentation to request reimbursement for losses due to a City of Milwaukee water main break. On February 28, 2007, a City of Milwaukee water main broke on the side of my property. As a result of this water main break both my property and business have incurred a significant loss. My estimated losses and damages are the following:

Property:

- Exterior concrete work/repair: \$2000
- Interior basement cleaning and sanitation due to the water flooding and breaking out some windows: \$8,765.32
- Hot Water Heater repair: \$75.00
- Boiler replacement (due to the fact that this was an older unit, I am not seeking full replacement cost): \$4,000.00
- Window glass replacement and repair: \$200.00

Business:

- Damaged inventory (see attached itemized list) (scent and water damage): \$18,438.50
- Damaged business furniture:
- Damaged business merchandising (props, carpeting, storage materials, signs, etc): \$1,000.00
- Damage to Central Air unit:

Also enclosed is the initial letter submitted on my behalf by my insurance company, Fitzgerald, Clayton, James & Kasten, Inc. It is our plea and prayer that the City of Milwaukee will do the right thing and reimburse us for our losses. We simply cannot afford to take such a loss or bare the expense of replacing this inventory or repairing our property. Please feel free to contact me at 414-841-7848 for any additional information.

Sincerely,
Elliott Torrence

Restoration/Service/Remodel

Estimate: TORRENCE'S

We are pleased to submit the following "estimate" to repair and clean the water damages. Attached is our rough breakdown of the necessary costs. Our basement room size is an approximation as the side walls will be power washed also.

This approximate total price will be held for a 7- 10 day period. If an agreement has not been reached with the Giertsen Company of Wisconsin to do the work by that date, then Giertsen Company of Wisconsin has the option to adjust the price for increases on labor, material and project scope. Multiple areas are still damp and will be moldy requiring Personal Protective Equipment unless removed or dried quickly.

The price of this estimate is based on performing all the work listed. Changes in the scope of work will be handled by written "Change Order." The adjustments in price will be based not only on the changes, but also on how the changes will effect the other segments of the project.

Thank you for this opportunity to be of service to you.
