Hello my name is Tina, I hope this is the right person to receive this email, this is in regards to the data center proposal on N. 60 th and Capitol Dr.i have many serious concerns over ANOTHER useless unnecessary Data center in our city. PLEASE deny this proposal of another Data center, save our water save the city. Please do more research these data centre's are killing our planet, there are so many people that are having water issues they can't take showers they can't Evan drink or use the water any more, it just trickles out of there faucets, these data centers are destroying the planet.
