**Subject:** No Data Center at Midtown Center

Some people who received this message don't often get email from [dutton.nich@gmail.com](mailto:dutton.nich@gmail.com). [Learn why this is important](#)

Good morning!

I'm writing to voice my opposition to a data center being built in Milwaukee County. We don't need additional infrastructure poisoning our land, water, and air in this county, no matter how many lofty promises the company offers.

We need to stop trusting data centers given the recent history of them doing damage to our fellow Americans.

Thank you for reading

Nick Dutton
