File Number 050932

To the Honorable, the Common Council

Dear Council Members:

The Common Council has adopted a preliminary resolution which determined it necessary and in the public interest to make nonassessable public improvements in East North Avenue.

The Commissioner of Public Works of the City of Milwaukee has prepared the necessary plans, specifications, and estimated costs for these projects.

I recommend the adoption of the attached resolution authorizing construction of these improvements.

Respectfully submitted,

Special Deputy Commissioner
of Public Works
