To the Public Works Committee

Subject: Common Council Resolution File Number 110021

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 110021, being a resolution to grant a special privilege to Riverfront Lofts Condominium Owners' Association Inc for a covered walk with decorative drapes for the premises at 730 North Plankinton Avenue.

The applicant is requesting permission to install and maintain a covered walk projecting 4 feet 6 inches into the east, 15-foot wide sidewalk area of North Plankinton Avenue. The covered walk is 13 feet 6 inches long and is located at the main entrance to the premises. There are four supports at each of the corners of the covered walk to which decorative drapes are attached. It should be noted that the sidewalk area is fully paved and there is more than sufficient sidewalk space available for pedestrians.

We are not aware that the presence of said covered walk with decorative drapes will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said covered walk with decorative drapes to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer
