**Subject:** 6715 W. Villard Avenue

Dear Ms. Robinson,

I reviewed the application for the location of 6715 W. Villard Avenue and after several neighborhood meetings, it has been brought to my attention of extensive loitering in front of the applicant's establishment. Due to this information, I object to the granting of this license based on Chapter 68-4(11), subsection (g-15).

Feel free to contact me at 414.286.3787.
