I treated cracks and crevices in the main office, basements and all apartments.

REDACTED RECORD

Good morning Mr. Alderman,

Just wanted to let you know that we've had complaints with a Food Truck, La Guelaguetza that parks in front if [REDACTED]. They have noticed Modelo bottles all over storefront from people eating out late there, overfilled garbage cans, and an rat infestation on the city lot next to T-Mobile (huge holes made) which has led T-Mobile in having a rat problem.

[REDACTED] called the health inspector last week regarding the situation. They referred her to the Neighborhood Services where she placed a complaint on behalf [REDACTED].

They said they would send an inspector to evaluate for rodent infestation caused by the taco truck.

The corporate office of [REDACTED] will file a complaint with the city because they feel nothing is being done. According to [REDACTED] they haven't seen or heard from an inspector, which doesn't mean they haven't come by but we haven't heard a peep.

We hope you can help with this situation that has caused problems to businesses on our drive.

Best,
