Thanks for sharing this. I am copying the license committee clerk and license office so they can add this to the committee packet if it is not too late to do so. Please make every effort to call in or appear, as direct testimony has greater value for the committee than written. In either case, the context you provide is appreciated!

Sincerely,

Terri Williams

Hi Marina, I hope all is well with you and your family. Say hi to your sister. I'm sending you this because I will not be able to attend the meeting on Tuesday. I will call in but last time it did not work out. That property has been in my family and operated as a bar for the past 50 years and has had no issues. The neighbor brought up Beulah Brinton community center and Stempers. We never had any issues with them. Stempers has been there since 1911 and Beulah has been there for 40 years. As for children walking by the bar and think it is not safe. It is ridiculous. We have handed out halloween candy, sell candy bars for youth teams and even had a lost child come in and got them home safely. As for parking, there is plenty on the west side on Clement and in front. As for the motorcycles we will ask them to park on Clement and put up reminders to not rev engines when leaving.

I know other bars that had shootings and they still got their license renewed. Thank you for all the help with Babe.
