.>>040558001104
The first occurred on April she 14th this □
.>>040558001111
year at about 1:34 a.m. when officers responded so a □
.>>040558001118
shooting at the Phoenix Club® It was determined that □

.>>040558001130
Two persons who were patrons at the club suffered a
.>>040558001208
gunshot wounds during an altercation there. One
.>>040558001216
licensee stated that she did not hear in case she
.>>040558001226
shooting incident that happened outside the club
.>>040558001307
Police investigation showed later that there were
.>>040558001318
three substantial battery hitting victims at Ot.
.>>040558001326
Joseph's Hospital as a result of an altercation that
.>>040558001406
occurred inside the club
.>>040558001416
One two shooting victims were shot as they

exited the club along the north exit line if the
.>>040558001501
shooting victims was 17 years of age. A citation was

issued to the licensee for presence of underage. That

was dismissed in Municipal Court
.>>040558001604
The second incident occurred on June the
.>>040558001612
14th of this year at about 10:40 p.m. A detective
.>>040558001618
assigned to the Vice Control Division entered the
.>>040558001629
premises to investigate a complaint of illegal
.>>040558001705
strippers. One detective observed a female dancer in
.>>040558001718
stage clad in a small brassiere and underpants
.>>040558001731
dancing. One was gyrating in front of the patron next
.>>040558001807
to the stage and pulled down her brassiere, exposing
.>>040558001822
both breasts entirely. One patron placed a dollar
.>>040558001830
bill between the dancer's exposed breasts, and the
.>>040558001912
dancer accepted the bill by alienating her breasts
.>>040558001919
around it, using her hands to push them together. One
.>>040558001925
did not have any hovering in her breast
.>>040558002005
When asked to talk to the owners, she

.>>040558002323

.>>040558002402
The detective was also taken into a OIP □
.>>040558002408
room, there were five females who were dancers □
.>>040558002417
who were using the room as a hanging room® Citations □

were issued to Willie Harrison, the manager, and James □

.>>040558002722
were dispatched to ¶249 West Fond du Lac for shots □

CHAIRMAN BOHL: Go ahead, General Schimpf.

.>>030558003025
MR. SCHRIMPF: Thank you, Mr. Chairman.

.>>030558003031
with respect to items 3 and 4 or the matters if June

14th- 2003- as that is a desult if a guilty plea.

.>>030558003121
line was dismissed without prejudice.

.>>030558003206
MS. CHAVIS: No, I never pled guilty.

.>>030558003215
MR. SCHRIMPF: It wasn't a plea arrangement?

MS. CHAVIS: No.

.>>030558003229
MR. WELYTOK: I'm sorry- I didn't hear the

.>>030558003231
question.

.>>030558003307
MR. SCHRIMPF: It was not a plea arrangement

.>>030558003308
with respect to the disposition if the events if June

.>>030558003313
14th- 2003?

.>>030558003326
MS. CHAVIS: In regards to the, you're saying,

.>>030558003330
about the 7-year-old being in the premises.

.>>030558003403
MR. SCHRIMPF: No, no. The certain costumes

.>>030558003415
prohibited and the change if entertainment.

.>>030558003421
MR. WELYTOK: There was.

.>>030558003432
MR. SCHRIMPF: That was a plea agreement?

.>>030558003502
MR. WELYTOK: Yes, sir.

.>>030558003508
CHAIRMAN BOHL: Thank you, Mr. Schimpf.

.>>030558003510
Mr. Welytok, this is your opportunity to take any

.>>030558003516
statements or raise any questions related to that was

.>>030558003525
read into the record by Sgt. Hogan.

.>>030558003603
MR. WELYTOK: Thank you, Alderman Bohl.

.>>030558003611
with regard to the April 5th incident and with regard

.>>030558003617
to all if the incidents- I'm sure you can all

.>>030558003632

appreciate what these are described in the lost
.>>030558003712
favorable light if the officers who say have been
.>>030558003724
dispatched to the scene and this is not a matter which
.>>030558003732
we are to deliberate the accuracy or veracity of
.>>030558003813
these statements. If this were we would certainly
.>>030558003827
have different stories to tell
.>>040558003904
However with regard to the patrons in 7/15
.>>040558003911
those charges were dismissed and I don't have any
.>>040558003926
background as to why they were dismissed. So if there
.>>040558004004
were some underage patrons in the restaurant, it
.>>040558004017
alien tells me that those were either workers or
.>>040558004027
was a gentleman who had worked in the kitchen. And
.>>040558004106
why it was dismissed again, I have no direct
.>>040558004116
knowledge of what
.>>040558004127
with regard to the incident in 7/14 the
.>>040558004131
establishment does hold a barret license and the
.>>040558004210
description of the event that is in this report I am
.>>040558004222
old is not completely accurate however, there were
.>>040558004232
cancers present in a cancer present. I am old that
.>>040558004310
it was completely within the realm of the barret
.>>040558004322
license so again, I am not going to dispute that is
.>>040558004331
described here, because this is not that tribunal
.>>040558004414
with regard to the finding of shells in the
.>>040558004424
parking lot nearby the Phoenix Club, I'm not even sure
.>>040558004501
that to take if that. Certainly shells would be
.>>040558004516
deposited anywhere whether or not there's some
.>>040558004525
indication that the Phoenix Club is an attractive
.>>040558004601
nuisance because shells were found in the parking lot
.>>040558004610
is also subject to abate. I would tell you that the

.>>040558004623
shooting incident as I'm told occurred in the lot next □
.>>040558004703
to the Social Security building and did not involve □
.>>040558004716
any patrons of the Phoenix Club®
.>>040558004725
I would also like to point out that the □
.>>040558004801
management of this particular entity has cooperated □
.>>040558004809
with police and has indeed done everything possible □
.>>040558004818
undesirable elements from the patrons® I would □
.>>040558004832
deference to you on an incident that happened several □
.>>040558004912
months ago here in the bartenders in the Phoenix □
.>>040558004921
Club observed a patron talk in with a bullet-proof □
.>>040558004932
vest® He immediately called the police® The police □
.>>040558005009
came, escorted that gentleman out, and sound our □
.>>040558005024
handguns in his car® The management does not desire □
.>>040558005104
any types of elements that would bring the patrons □
.>>040558005116
into danger® It is not up as an entertainment venue □
.>>040558005126
and a restaurant and a bar, and it is not there to □
.>>040558005208
attract criminal element®
.>>040558005222
This particular establishment has never had □
.>>040558005229
a denial nor a license, it has never had any prior □
.>>040558005304
suspensions® The business people involved with this □

particular establishment have been in this community □

we place our trust in the fairness of this □

tribunal to renew this license, and we respectfully □
.>>040558005501
request that it be done® Thank you.
.>>040558005513
CHAIRMAN BOHL: Thank you, Mr. Welytok® □

This item is cited for neighborhood objections® Are □
.>>030558005530

there any individuals here who are here to testify in

opposition to this license; I hear and see none. Et
.>>030558005619

ALDERMAN DAVIS: Thank you, Mr. Chair

MR. WELYTOK: Certainly.

ALDERMAN DAVIS: Yes.
.>>030558005831
MS. CHAVIS: In respect to that;
.>>030558005902
ALDERMAN DAVIS: You have a cabaret license,
.>>020558005909
and I'd like to see you have on this cabaret license
.>>020558005915
is that you have dancing ay performers, and you have
.>>020558005922
prior history if actually having performers dancing
.>>020558005932
and with the police actually deporting or tripping in

.>>020558006028
MS. CHAVIS: And so, in other words, that

would be left in it in regard to the cabaret license;

ALDERMAN DAVIS: Everything else would be

tell you the reason why, Ms. Davis. It's because I

MR. WELYTOK: Correct. During the break, it

that this club is, in essence, acting as a trip club

ALDERMAN GORDON: It has been a question for □

.>>030558010807
tavern amusement lightclub-abaret license There is □
.>>030558010819
no definition in the law at this point where you have □
.>>030558010830
the designation of dancing by performer.
.>>030558010908
MR. SCHRIMPF: What is correct- what is not □
.>>030558010919
defined in the ordinances.
.>>030558010925
ALDERMAN GORDON: And there is a □
.>>030558010930
distinction, even though it's not defined in the □
.>>030558011006
ordinance, obviously, dancing by performer and exotic □
.>>030558011018
dancers male and/or female strippers?
.>>030558011031
MR. SCHRIMPF: It is true it is not defined □
.>>030558011110
in the ordinances However- a very similar □

.>>030558011116
distinction was brought to be made in the so-called
.>>030558011128
Blue Canary case, which went to the 7th Circuit Court
.>>030558011206
if Appeals and the 7th Circuit had no difficulty in
.>>030558011217
the fact that entertainment that was essentially
.>>030558011302
exotic in entertainment in nature was
.>>030558011310
differentiated from floor shows and dancing by
.>>030558011325
performer.
.>>030558011404
ALDERMAN GORDON: As it relates to floor
.>>030558011407
shows, there is no definition in the ordinance
.>>040558011415
regarding floor shows at this point in time?
.>>040558011424
MR. SCHRIMPF: That is also correct.

that a 10-day suspension is harsh or an establishment □
.>>030558012822
that's been in existence or this length of time- and □
.>>030558012903
it appears to me that from a cooperative standpoint □

that things can be worked out relative to the ends of □

concerns that Alderman Davis has, and they're □
.>>030558013008
justifiable concerns in this district- but it is □
.>>030558013018
believe that a 10-day suspension would be very □

devaluing to the establishment with the holidays □

coming up and people who frequent this establishment, □

which is popular in the community and well known in □
.>>030558013125
the community- they would suffer a substantial loss of □

revenue. And I think there has to be more to justify □

that, and the practice of progressive discipline in this □
