Ref. File no. 1068-2018-2549

To whom it may concern,

In response to the letter I received from city Attorney Grant F. Langley's office and Steven M. Carini on January 10, 2019.

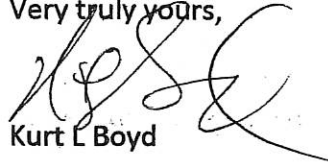

My gate was indeed hit by the persons mowing the "ditch" I my wife and I did file a claim with estimates. I don't appreciate you insinuating we're filing a false claim.

You broke the gate so you fix the gate.

Your crew didn't have the courtesy nor decency to inform us they hit the gate so of course they're not going to admit it to you.

Accept this letter as our decision to appeal.

Very truly yours,

Kurt L Boyd
