To the Honorable, the Common Council

Dear Council Members:

On February 28, 2006, the Wisconsin Department of Natural Resources (WDNR) issued to the City of Milwaukee a revised General Permit to Discharge Under the Wisconsin Pollutant Elimination System, Permit Number WI-0047341-04-0.

Section 2.7 of the revised permit requires the City of Milwaukee to submit a Compliance Maintenance Annual Report (CMAR) and to adopt a resolution to have its Common Council review and provide responses as required on the CMAR. The Department of Public Works has prepared the CMAR and the resolution and they are attached herewith.

We recommend adoption of the resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
