Hi Grace and Julia!

I just wanted to reach out and say thank you! We had our annual gathering last year and it was a huge success. It's success would not have been possible without your support, we appreciate the donation of the posters and the discounted magnets. Neighbors were excited to be able to take the magnets home.

Attached are some photos of our event. Again thank you so much for your support.

Hi Kevin,

Thanks for sending along the great images and I'm so glad that people enjoyed the neighborhood bling. I'm pleased your annual gathering was a great success!

Best,
Julia
