To the Honorable
Common Council
City of Milwaukee

Dear Council Members:

We are submitting for your consideration the attached resolution amending File Number 031525 to include authorization for appropriation and expenditure of private contributions up to \$50,000 for improvements to Enderis Playfield. File Number 031525, adopted March 19, 2004, authorized the Department of Public Works – Buildings and Fleet Services to accept private contributions but did not authorize the appropriation and expenditure of the contributions.

We believe that the improvements to this site will have a positive effect, not only on the individuals involved at Enderis Playfield, but also on the surrounding neighborhood, and we respectfully request its adoption.

Sincerely,

VENU J. GUPTA, Superintendent
Buildings and Fleet Services

JEFFREY J. MANTES, Commissioner
Department of Public Works
