To Whom It May Concern:

Madison Fire Department has a long history of working with FPC Live as concert and venue operators in Madison. The relationship has always been very positive and professional, and their interest in public safety has always been an important piece of their organization. We offer them our full support with their Milwaukee project as great operators with a proven track record.

Please contact me if you have any questions or concerns.

Cordially,

Ed Ruckriegel
Fire Marshal
