Cavalier Johnson  
Mayor of Milwaukee

Mr. Johnson,

In view of our close and friendly relations that have developed over a long period of sisterhood between our cities, I am writing to you with a proposal to establish cooperation between municipalities in related areas such as Youth, Culture and Sports.

We are interested in the experience of organizing and conducting the Riverwest24 bicycle race, which will be held annually on July 28-29 in your city. Therefore, we would like to discuss the organization of an event in support of the city of Irpin during the Riverwest24 cycling race.

We would also like to propose several initiatives in the area of Youth Cooperation, including: cooperation between the City of Milwaukee Youth Council and the Irpin Youth Parliament, development of joint programs for engaging and developing youth leadership.

As for the Cultural sphere, we invite artists from your city to participate in the artistic plenary, which is held annually in Irpin to exchange artistic ideas and create new creative works.

I propose to start our cooperation in these areas by holding a video meeting, where we can discuss the details and our possibilities of such cooperation. Please provide us with your preferred dates and times for a video meeting in October.
