Chris:

Please add this to the file # 171686

CC file # 171686: An ordinance relating to the use classification of various land uses in commercial zoning districts.

This ordinance is requested in order to correct some administrative errors in the land use tables for some commercial zoning districts.

Attached are the land use tables as they existed on June 14th, 2016 (highlighted in orange) and December 13, 2016 (Highlighted in yellow)

Between June 14, 2016 and December 13th 2016 some of the land use tables were erroneously and inadvertently changed.

This ordinance restores the tables for these land uses to the June 14th 2016 version.
