To the Public Works Committee

Dear Committee Members:

The attached substitute resolution names the Commissioner of Public Works as the authorized representative for the City of Milwaukee for the purpose of filing Clean Water Loan Fund applications with the Wisconsin Department of Natural Resources. The Clean Water Loan Fund provides communities loans at reduced market rates for the purposes of designing and constructing wastewater treatment and collection systems and structural urban storm water Best Management Practices.

We recommend adoption of the resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.
