Subject: Live Nation Venues In Milwaukee Deer District

I am sending this email to relay my opposition to the proposed Live Nation Concert Venues that are going before the common counsel on 11/1/22.

The city of Milwaukee has numerous Venues that provide a variety of music as well as variety performing arts for the people of Milwaukee and the surrounding communities. We also have guests from out of state that visit our beautiful city to attend these events.

Approving these venues would be effecting those venues such as The Riverside, Pabst Theater, Turner Hall, The Rave, Shank Hall, The Milwaukee Theater.

These venues have all been a staple of our city for decades. What's going to happen to them , i can only imagine. They have dedicated staff whose jobs would be at risk. How unfair to them?

Live Nation and Ticket Master are already rapping the benefits for the outrageous prices they are charging for concert tickets and extra charges. This would only encourage a monopoly interest music Industry.

PLEASE VOTE NO on Tuesday November 1, 2022
