2026 OPERATING PLAN - SHERMAN PARK NEIGHBORHOOD IMPROVEMENT DISTRICT #4

A. Background

In 2006, the State of Wisconsin signed into law the 2005 Wisconsin ACT 186, a legislative declaration created to give Wisconsin municipalities (i.e., cities, villages and towns) the power to establish one or more Neighborhood Improvement Districts (NIDs) within their community. An assessment methodology was developed to allow the assessable residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood improvements and other activities as approved by the NID Board. The ACT was drafted similar to the business improvement district statute.

The City of Milwaukee received a petition from property owners which requested creation of a Neighborhood Improvement District for the purpose of revitalizing and improving the Sherman Park neighborhood area on Milwaukee's near west side. The Sherman Park NID was created by the City of Milwaukee 2013 resolution #130620 and its first year of operation was 2014. The NID law requires that every district has an annual Operating Plan. This document is the Operating Plan for the Sherman Park Neighborhood Improvement District. The NID proponents prepared this Plan with technical assistance from the City of Milwaukee Department of City Development.

B. Physical Setting

The general boundaries for the Sherman Park Neighborhood Improvement District ("SP NID") are North Fifty-First Street to the west, North 38th Street to the east, West Burleigh Street to the north and West Meinecke Avenue to the south. For a specific boundary, see the map in. Appendix B.

Near the end of the nineteenth century and in the first decades of the twentieth, the area constituting the Sherman Park NID, developed rapidly. That development proceeded from the southeast to the west and north as the Milwaukee city limits were extended westward beyond 35th Street to North 60th Street (Wauwatosa), and on the north to West Burleigh and beyond. Development was encouraged by extension of the streetcar lines to the west, the 1891 purchase of land well outside of City limits for Sherman Park itself, creation of Sherman Boulevard as part of the early plan to link city parks with landscaped boulevards, and by the construction of

Washington High School in 1913 - quickly regarded as a premium institution throughout the region. Early aerial photos show that properties on Grant, a developer-created boulevard, and Sherman Boulevards tended to fill in later than properties on either side. Commercial development was concentrated along Lisbon and North Avenues and Center and Burleigh Streets.

Though blocks in Sherman Park NID are on a fairly regular grid, street widths and lot sizes vary considerably. Lot sizes vary, ranging from 30' by 120' in the south and eastern areas and 50' by 130' on the west side of Sherman to 50' by 160' lots on a parallel stretch of blocks between Sherman and Grant Boulevards. Most properties west of 35th Street are said to constitute automobile suburbs in that the provision for private garages to store personal vehicles was an automatic feature. Of these, many were built to match the style and materials of the home. Home construction has ranged from clapboard side frame and stucco or wood shingle over brick (bungalow styles) to all brick veneer or lannon stone. To date, there are few apartment buildings. The primary forms of housing in the NID are single family residences and unit over unit duplexes.

Many homes in the NID have architectural merit and were frequently individually designed by architects. These are, though not exclusively, found on the 2500 block on North 47th Street, Sherman Boulevard, and Grant Boulevard, which are all on the Milwaukee Historic Registry as well as the National Historic Register. Improvements in these latter districts are eligible for Preservation Tax Credits.

The SP NID is also home to a number of businesses and institutions including Hadley Terrace, the Mary Ryan Boys & Girls Club, and Washington High School.

DISTRICT BOUNDARIES **C. Principal Office**

The Principal Office and Registered Office of the SP NID shall be the Sherman Park Community Association, 3526 West Fond du Lac Avenue, Milwaukee, WI 53216.

Boundaries of the proposed district are shown on the map in Appendix B of this plan. A listing of the properties included in the district is provided in Appendix D. The description in Section I. B is a general description of the boundary; the actual boundary is depicted on Appendix B and the actual properties included are listed in Appendix D. In the event of discrepancy, Appendix D shall control. The SP NID may update Appendix D during each annual Operating Plan. The Boundaries are herein referred to as "SP NID Area."

D. Plan Objectives

The objective of the SP NID is to (a) provide assistance to homeowners and (b) to fund community improvement projects in order to eliminate blight, stabilize the housing stock, and otherwise enhance the SP NID.

E. Proposed Activities

Principal activities to be engaged in by the district during this year of operation will include:

1. Assistance to Homeowners

a) Create a grant fund (“Grant Fund”) which will provide financial assistance to homeowners in the SP NID Area through modest grants (e.g. \$100 - \$5,000 each) to make the following improvements to their properties: energy efficiency improvements, repairs to increase water conservation, repairs to the structural condition of the property (including roof repairs), safety improvements, plumbing, electrical, and heating improvements, repairs that are essential for bringing properties into compliance with city building codes and repairs to increase the curb appeal of property (“Improvements”).

b) The Board of Directors of the SP NID may at any time amend the amount of each grant, the number of grants, and any qualifying criteria.

2. Fund Community Improvement Projects

a) Sustain the work of existing neighborhood organizations, including, but not limited to, Hadley Residents Council, the Sherman Park Community Association, Uptown Crossing, and the 38th to 41st Street Block Group.

b) Each neighborhood organization, block club, or group of residents shall develop a work plan that includes community improvement projects which may include, for example,

advertising material for the neighborhood, providing resource materials to residents, hosting community events, beautification projects, etc.

c) Projects will be funded to the extent funds are available by action of the SP NID Board of Directors.

Pursuant to the NID Statute, defined below, the local legislative body does not authorize the board to own real property in this operating year, but the Operating Plan may be amended in the future to allow for such ownership.

F. Proposed Expenditures

The Proposed Budget for 2025 is attached as Appendix E. The SP NID Board of Directors shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

G. Financing Method

It is proposed to raise approximately \$204,900 through SP NID assessments (see Appendix A.). Funds may also be pursued from foundations and other available resources. The SP NID may seek private financing for programming secured by this years or future operating years of the SP NID. The SP NID Board of Directors shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

H. Organization of NID Board

Upon creation of the SP NID, the District shall hold annual meetings to elect Directors to the Board consistent with terms of this subsection and the bylaws of the SP NID. The Board's primary responsibility will be the implementation of this Operating Plan. This will require the board to negotiate with providers of services and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of SP NID assessments.

State law requires (a) that the board be composed of at least five directors and that a majority of the board directors be owners or occupants of property within the district and (b) the local legislative body must set the time and place for a meeting at which directors of the board will be elected and shall publish a class 2 notice under Ch. 985 that contains the information. The notice shall specify that all individuals who either own or occupy real property within the neighborhood improvement district are eligible to serve on the board and vote at the election.

It is recommended that the SP NID Board be structured and operate in accordance with the Bylaws, which is consistent with the following:

1. Board Size: Minimum of seven (7) directors and up to nine (9) directors.
2. Composition: The Board shall consist of individuals who own or occupy residential property or mixed-use property (i.e. property with both commercial and residential uses). A minimum of 2/3 of the Directors shall be homeowners (owner-occupants) or residents that live within the SP NID.
3. Term: Terms for the members of the board shall be for a period of one year. Directors may be re-elected.
4. Compensation: None
5. Meetings: The Board shall adopt rules of order (by-laws) to govern the conduct of its meetings. The Board shall meet regularly, at least once every 3 months. A total of at least five (5) Board Members must be present for a quorum in order for official decisions to be made. Minutes of all meetings of the Board's affairs shall be kept pursuant to public records requirements.
6. Staffing and Office: The Board may employ staff and/or contract for staffing services pursuant to this Operating Plan and subsequent modifications thereof. The Board may also maintain an office for the District, which shall be located within the District.
7. Method of Electing Directors to District Board: An annual meeting at which directors of the Board will be elected shall be held on the first Tuesday of March of each year of the District's existence. Prior to the meeting, the City shall publish a Class 2 notice that contains the time and place of the annual meeting. The notice shall specify that all individuals who either own or occupy real property within the District are eligible to serve on the Board and vote in the election.

8. Changes: Any change in the Board size, composition or election methodology must be approved by a two-third (2/3) majority of the entire Board.

I. Relationship to other Organizations:

The SP NID shall be a separate entity from the Sherman Park Community Association (SPCA), notwithstanding the fact that members, officers and directors of each may be shared. The SPCA shall remain a non-profit organization, not subject to the open meeting law, and

METHOD OF ASSESMENT not subject to the public record law except for its records generated in connection with the SP NID Board. The SPCA may and, it is intended, shall contract with the SP NID to provide services to the NID in accordance with this Plan.

J. Assessment Rate and Method

The principle behind the assessment methodology is that each property should contribute to the SP NID in proportion to the benefit derived from the SP NID. After consideration of other assessment methods, it was determined that for residential properties, the number of residential units was the characteristic most directly related to the potential benefit provided by the SP NID.

Therefore, a fixed assessment of \$50 per dwelling unit was selected as the basic assessment methodology for properties in the SP NID. Mixed-use properties and multi-family dwellings (residences with two or more dwelling units) shall be assessed \$50 per unit to a maximum of \$500. Properties in the area which fall within pre-existing Business Improvement Districts (BIDs) are omitted from the SP NID.

Maintaining an equitable relationship between the SP NID assessment and the expected benefits requires an adjustment to the basic assessment method. To prevent the disproportional assessment of a small number of high value properties, a maximum assessment of \$500 per parcel will be applied.

As of January 2025, the property in the proposed district had approximately 2,691 parcels (4,096 units) with a total assessed value (land and improvements) of approximately \$316,684,400. Appendix D shows the projected SP NID assessment for each property included in the district.

The assessment assigned to each parcel based on this formula is herein referred to as “SP NID Assessment.” Any SP NID Assessments related to a previous year, or years may not be contested. Any SP NID Assessment related to this Operating Plan may only be contested prior to approval and adoption of this Operating Plan by the City Council.

K. Excluded and Exempt Property

The NID Statute requires explicit consideration of certain classes of property. In compliance with the law, the following statements are provided.

In accordance with the interpretation of the City Attorney regarding Wis. Stats. Section 66.1110(7)(a), property exempt from general real estate taxes has been excluded from the District. Owners of tax-exempt property adjoining the District and expected to benefit from District activities will be asked to make a financial contribution to the District on a voluntary basis. Those tax-exempt properties adjoining the District which are later determined no longer to be exempt from

PLAN AND ORDERLY DEVELOPMENT OF THE CITY general property taxes shall automatically become included within the District and subject to assessment under any current operating plan without necessity to undertake any other act.

L. City Plans

In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File Number 881978, adopted January 24, 1989.

The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services, and tax base rather than passively accepting loss of jobs and population or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the Common Council gave new emphasis to forging new public and private partnerships as a means to accomplish preservation.

The district is a means of formalizing and funding the public-private partnership between the City and property owners in the Sherman Park neighborhood and for furthering preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

M. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City is expected to play a significant role in the creation of the Neighborhood Improvement District and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan and provide assistance as appropriate thereafter.
2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.
3. Collect assessments, maintained in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.1110 (4)(c) of the NID law.
5. Provide the board, through the Tax Commissioner's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the NID

PLAN APPROVAL PROCESS assessments.

6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.

N. Public Review Process

The Wisconsin Neighborhood Improvement District law establishes a specific process for reviewing and approving proposed districts. Pursuant to the statutory requirements, the following process will be followed:

1. The Milwaukee City Plan Commission will review the proposed district boundaries and proposed Operating Plan and will then set a date for a formal public hearing.
2. The City Plan Commission will send, by certified mail, a public hearing notice and a copy of the proposed Operating Plan to all owners of real property within the proposed district. In addition, a Class 2 notice of the public hearing will be published in a local newspaper of general circulation.
3. The City Plan Commission will hold a public hearing, will approve or disapprove the Plan, and will report its action to the Common Council.
4. The Economic Development Committee of the Common Council will review the proposed NID Plan at a public meeting and will make a recommendation to the full Common Council.
5. The Common Council will act on the proposed NID Plan.
6. If adopted by the Common Council, the proposed NID Plan is sent to the Mayor for his approval.
7. If approved by the Mayor, the NID is created.

O. Termination of the NID

The City may terminate the Neighborhood Improvement District *if*, one of the following occurs:

- a) The owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan, using the method of valuation specified in the operating plan, file a petition with the planning commission requesting termination of the neighborhood improvement district.; or
- b) The owners of property assessed under the operating plan having an assessed valuation equal to more than 50 percent of the assessed valuation of all property assessed under the operating plan, file a petition with the planning commission requesting termination of the neighborhood improvement district.; or

- c) The owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan fail to file a petition with the planning

FUTURE YEAR OPERATING PLANS

commission to continue the neighborhood improvement district within one year of the date on which the membership of the board changes from a majority which represents commercial properties to a majority that represents residential properties, or vice versa.

P. Phased Development

It is anticipated that the SP NID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in the initial (Year One) Operating Plan.

Section 66.1110 (6)(b) of the NID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan.

Greater detail about subsequent year's activities will be provided in the required annual Plan updates, and approval by the Common Council of such Plan updates shall be conclusive evidence of compliance with this Plan and the NID law.

In later years, the SP NID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

Q. Amendment, Severability and Expansion

This SP NID has been created under authority of Section 66.1110 of the Statutes of the State of Wisconsin ("NID Statute"). Should any court find any portion of this Statute invalid or unconstitutional, its decision will not invalidate or terminate the SP NID, and this SP NID Operating Plan shall be amended to conform to the law without need of re-establishment.

Should the legislature amend the Statute to narrow or broaden the process of a NID to exclude or include as assessable properties a certain class or classes of properties, then this NID Plan may be amended by the Common Council of the

Contraction with SP NID

City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act.

Any contracting with the SP NID shall be exempt from the requirements of Sec 62.15, Wis. Stats. because such contracts shall not be for the construction of improvements or provision of materials. If the SP NID does contract for the construction of improvements or provisions of material, it shall follow the requirements of such statutes to the extent applicable. Further, the annual accounting required under Sec 66.608 (3)(c) Wis. Stats. shall be deemed to fulfill the requirements of Sec 62.15 (14) Wis. Stats. The SP NID Board of Directors and the City of Milwaukee shall comply with the provisions of Sec. 66.60 before the City inserts assessments for this NID plan onto the tax bills for the parcels assessed thereunder, only to the extent required by law, to create a lien on the parcels assessed. The SP NID may provide grant support to organizations that include the cost of staff; however, the SP NID shall not have employees directly and shall contract with a responsible third party for any administration of grant funds.

2. The owners of property in the territory to be annexed that would be assessed under the operating plan having an assessed valuation equal to more than 40 percent of the assessed valuation of all property in the territory to be annexed that would be assessed under the operating plan.

(5) All special assessments received from a neighborhood improvement district and all other appropriations by the municipality or other moneys received for the benefit of the neighborhood improvement district shall be placed in a segregated account in the municipal treasury. No disbursements from the account may be made except to reimburse the municipality for appropriations other than special assessments, to pay the costs of audits required under sub. (4) (c) or on order of the board for the purpose of implementing the operating plan. On termination of the neighborhood improvement district by the municipality, all moneys collected by special assessment remaining in the account shall be disbursed to the owners of specially assessed property in the neighborhood improvement district, in the same proportion as the last collected special assessment.

NID Mission

The Sherman Park Neighborhood Improvement District's (SP NID) primary mission is to provide an opportunity for residents to improve their neighborhood. The SP NID provides resident homeowners with the means to gather funds by leveraging our neighborhood's many assets. The social and monetary capital gathered by the NID is directed towards promoting the success of the neighborhood as determined by its residents.

Short History of Sherman Park NID #4

Our NID was formulated in 2013, one of the earliest in the city, and was modeled on the Washington Park NID. It came about when other federal and city home repair programs were declining and were the only grant program without an income restriction.

Ours is the largest NID in Milwaukee, with 2,692 parcels holding 4,096 residential units. We have employed the Sherman Park Community Association as our financial agent since the beginning with one change in Executive Director and Housing Management Specialist, giving us good continuity. More than 25 residents have volunteered their time to serve on the NID Board, with a couple board members since its inception.

We are proud of our 12 years of success in the neighborhood, where we estimate that over \$2 million has been invested in Sherman Park homes.

NID Benefits

The NID Home Improvement Program benefits Sherman Park – and the City --- in the following ways:

- Provides non-income-restricted funding for repairs and improvements that keep homes well maintained.
- Enables owners to proactively address repairs before they turn into major repairs.
- Assists low- and moderate-income homeowners make repairs and improvements they might not be able to afford. (Or at least take the edge off.)
- Assists with emergency repairs, e.g., furnace or hot water heater.
- Improves appearance of homes in the neighborhood.
- Reinforces commitment for homeowners to stay in the neighborhood and the city.
- Stabilizes and increases property values.
- Encourages private investment.

2025 Summary of Board Activities

The past year has been busy for the Sherman Park Neighborhood Improvement District #4 (SP NID).

- On March 4, 2025, we held the 12th annual meeting of the SP NID at the Boys and Girls Club in Sherman Park. Attendees elected candidates to fill all nine seats on the board of directors with the charge of continuing to guide the efforts of SP NID. By unanimous decision, the board again selected the Sherman Park Community Association (SPCA) to continue administering the Home Improvement and the Community Improvement programs.
- At SPCA's Housing Resource Fair held on March 22, 2025, several NID board members provided information on our grant process to individuals.
- With all hands-on deck, we had a marathon day to accept applications for the Home Improvement Grants on April 19, 2025, at the Office of African American Affairs, located, 4830 W Fond du Lac Ave. The board members and SPCA staff worked from 9 am to 12:50 pm to accept a complete package from applicants, whereas a thorough review of the package will take place within the week and applicants will be notified of approval or denial.
- We agreed on a regular schedule of 6 meetings per year, with additional meetings if needed. Our goal is a one-hour and a half meeting.
- The doctoral student completed her studies at UWM and continued to observe our NID meetings, which has led to self-reflection and spark changes.

"The administration of Sherman Park's NID #4 continues to be a valuable resource that helps maintain the stability of expressive beauty that has always existed in Sherman Park." K. Shields - Chair

Financials

Revenues

The NID's income comes from the \$50.00 per unit assessment against houses and duplexes, which is collected via property tax bills by the city of Milwaukee and passed through to the NID. The amount for 2025 was \$204,650.

Source	Income
Assessments 2025	\$204,650
	\$204,650

Expenses

Expense	Amount
Administrative	\$9,701
CIP Reserve	\$10,000

Home Improvement Grants

The figures and charts below cover 2025 year to date (September). All allocations are made by October 31st. There may be slight changes if projects are not completed by the end of the season.

Who Got Grants?

The Home Improvement Grants are up to \$5,000 In a 5-year window. While there is no income restriction, we do use a sliding scale to determine the match the homeowner is responsible for. Low-income homeowners (under 50% CMI) are not required to contribute a match outside of the initial \$50 assessment; homeowners with incomes between 50% and 120% CMI contributed a match of 25%; and those with incomes exceeding 120% CMI contributed a 50% match. Any costs over the \$5,000 grant are paid by the homeowner.

What Kinds of Projects Were Done?

As of September, 38 homeowners are slated to receive grants for 42 projects. The total amount of grants given out will be over \$149,871. **When we include the homeowners' contributions, this puts the total investment in improvements to these homes this year at \$343,093.**

Repair category	Grant Amount	Project count
HVAC	\$12,065	4
Mechanicals	\$6,480	2
Masonry	\$9,750	3
Porch	\$20,533	8
Windows	\$31,382	7
Roof	\$49,854	11
Exterior - other	\$19,807	7
	\$149,871	42

Community Improvement Program

There were no requests for Community Improvement funds this year that met the standards of funding only durable goods of benefit to the entire community.

There is extensive redevelopment planned for Sherman Park in the next couple of years. This year we have donated \$10,000 toward redevelopment, which will benefit all who use the park.

Other examples of community projects we have funded in the past are the “Historic Sherman Park” signs on light poles, and the major contributions toward the refurbishment of the Washington High School athletic field.

NOTE A - Summary of Significant Accounting Policies

Organization

Sherman Park Neighborhood Improvement District No. 4 ("NID") was created by the City of Milwaukee pursuant to S.66.1110 of the Wisconsin State Statutes. The law enables cities to establish neighborhood improvement districts for the purpose of providing residents with the opportunity to improve their neighborhoods and to establish an assessment method to fund these activities. The Sherman Park Neighborhood Improvement District No. 4 was created with the specific purpose of providing a financing mechanism to further promote the success of the neighborhood as determined by the residents of the Sherman Park area on Milwaukee's north side.

Home Improvement Grant Program

Residents of the Sherman Park area may submit applications for consideration of funding of various home improvement projects.

The Home Improvement Grant Program provides qualifying home owners within the Neighborhood Improvement District boundaries an alternative means to help pay for home improvement projects for personal residences. The maximum available grant is \$5,000 per qualifying homeowner, and certain matching provisions may apply dependent upon the income level of the applicant. In addition, eligible owner-occupants may be awarded up to \$5,000 over the course of five years. The owner-occupant must wait five years to again be eligible to receive funds.

Community Improvement Grant Program

The Community Improvement Grant Program was established in order to help keep up with the general maintenance of the Sherman Park area. This includes, but is not limited to, such projects as the installation of raised garden beds, improved lighting to normally dark alleys, general surveillance around the neighborhood and back-to-school programs.

Program Administration

The majority of the NID's expenses are paid to Sherman Park Community Association, the acting service provider for the NID. Sherman Park Community Association is responsible for administering the Home Improvement Grant Program and Community Improvement Grant Program. For its administration of these programs, the NID pays the Sherman Park Community Association 20% of the yearly assessment fee received.

The NID advances funds to the Sherman Park Community Association which are then used to disburse grant funds on behalf of the NID. Amounts advanced that exceed expenses incurred are reported as Advanced Funds - Sherman Park Community Association within the financial statements.

Accounting Method

The financial statements of the NID have been prepared on the accrual basis of accounting.

Basis of Presentation

The NID reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

NOTE A - Summary of Significant Accounting Policies (continued)

Accounts Receivable and Credit Losses

The Organization recognizes an allowance for expected credit losses on trade and other receivables. The expected credit losses are updated by management at each reporting date to reflect changes in credit risk since the financial instrument was initially recognized. The expected credit losses on trade receivables are estimated based on historical credit loss experience, aging analysis, and management's assessment of current conditions and reasonable and supportable expectations of future conditions. The Organization assesses collectability by pooling receivables where similar characteristics exist and evaluates receivables individually when specific customer balances no longer share those risk characteristics and are considered at risk or uncollectible. Accounts receivable balances are charged off against the allowance for credit losses after recovery efforts have ceased. The expense associated with the allowance for expected credit losses is recognized in bad debts expense.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents include all highly liquid debt instruments with original maturities of three months or less when purchased.

Advanced Funds - Sherman Park Community Association

Advanced Funds - Sherman Park Community Association includes funds advanced to the Sherman Park Community Association that exceeded the amount of project costs incurred. Such funds are expected to be used to fund future period project costs.

Contributions and Grant Revenue

Contributions received and unconditional promises to give are measured at their fair values and are reported as increases in net assets. Contributions are considered available for the NID's general programs unless specifically restricted by the donor. Contributions received with restrictions that are met in the same reporting period are reported as revenue without donor restrictions and increase net assets without donor restrictions. Conditional promises to give are not recognized until they become unconditional. A conditional contribution is one that has both a barrier that must be overcome and an agreement requiring advance payment to be returned or future payment not to be obligated whence the barrier is not overcome. Amounts received for which the donor has limited the use of the asset or designated the gift as support for future periods are considered restricted support and included in net assets with donor restrictions. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. When the restriction on a contribution is met in the same reporting period as the contribution is received, the contribution is reported in net assets without donor restrictions.

Net assets restricted for acquisition of building or equipment are reported as net assets with donor restrictions until the specified asset is placed in service at which time the net assets are released to net assets without donor restrictions.

When a donor requires the investment of a contribution and restricts the use of investment income, the investment income is reported as net assets with donor restrictions until appropriated for the designated time or use when the net assets are released to net assets without donor restrictions.

NOTE A - Summary of Significant Accounting Policies (continued)

Contributions and Grant Revenue (continued)

Contributions of assets other than cash are recorded at their estimated fair value at the date of the gift. Donated services are recognized as contributions if the services create or enhance nonfinancial assets or the services require specialized skills, are performed by people with those skills, and would otherwise be purchased by the NID. Accordingly, the value of contributed time that does not meet these requirements has not been determined and is not reflected in the accompanying financial statements.

Government Grants and Contract Revenue

Government grants and contract revenue are recognized when earned. Revenue is earned when eligible expenditures, as defined in each grant, contract or other allowable cost manual, are made. Any cash received for revenue not yet earned is considered to be deferred revenue. Revenue earned but not yet paid to the NID is included in grants receivable. Expenditures under government contracts are subject to review by the granting authority. To the extent, if any, that such review reduces expenditures allowable under these grants or contracts, the NID records the disallowance at the time the final assessment is made. Management believes that disallowances, if any, would not have a significant effect on the financial statements.

Functional Expenses

The NID allocates costs directly to program, management, or fundraising whenever possible. If a cost benefits more than one program or function, the NID estimates the portion of the cost attributable to each program or function and allocates it as such. Program costs are those costs incurred to carry out the mission of the NID. Management costs are those costs to administer the programs and other overhead costs such as administration, accounting, or board activities.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE B - Liquidity

The NID receives funds from the City of Milwaukee within the first quarter of the calendar year. Those funds are used to cover the annual operating expenses. Liquid financial assets are those assets available for use within one year from the statement of financial position date to pay for general operating expenses or obligations as they become due. As of December 31, 2024, the NID has \$105,685 of cash and cash equivalents and \$82,107 advanced funds to Sherman Park Community Association available for use.

NOTE C - Concentration of Revenue

The NID receives property assessment income from the City of Milwaukee. The NID's operations rely on the availability of these funds. All of the NID's revenue was from the City of Milwaukee for the year ended December 31, 2024.
