RE: 2266 N. Prospect
(Address of property in question)

Under ch. 68, Wis. Stats., s. 320-11 of the Milwaukee Code of Ordinances, this is a written petition for appeal and hearing.

I am appealing the administrative procedure followed by Anti-Graffiti
(Name of City Department)

Amount of the charges \$ 790.00

Charge relative to Removal of tags

I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence, including city employee's names/dates which I spoke to regarding this issue and copies of any city orders received:

The only graffiti that was on our building was the small pink one. No one ever saw the anyone that Newn was there. Staff, Tenants... Checked. That is in a private yard, No one was ever back there. I believe they super imposed damage. The marks on the energy substation is on City land, not mine. We removed pink marking
