June 27, 2003

City Clerk,

Here are the circumstances of the accident. At 12:15 p.m., on June 11, 2003, at Wong's Wok (at Appleton and Capitol, address 7424 W. Appleton Ave.) I parked my 2000 Dodge Dakota pickup next to a City of Milwaukee truck. This truck had a city seal on the door and was carrying pipes that were situated over the cab. About 5 minutes before I left, I looked over into the parking lot and noticed the truck had left and the space was vacant. At 12:45, I walked out to my truck and noticed that there was a gouge on the rear panel of the driver's side starting in front of the left rear driver's side to the wheel cut out and above it. The paint in the gouge was safety yellow. On the driver's side door is a dent from the front mirror of the city truck.

My address is above as well as my phone and fax number.

I have received two estimates which are enclosed. One is from Motorcar Collision and the other from Reflections.

The phone number above, 355-0748, is the best number in which to reach me. I haven't a business number in the summer because I teach. This number has voice mail.

Thank you very much for your attention in this matter.

Sincerely,

Hope Ellyn Good
