Subject: Proposed Rezoning for School

To Whom it May Concern:

As a resident of the 14th Aldermanic District I was contacting you to voice my support for the proposed rezoning of the property at the corner of 6th and Harrison to be used for Augustine Prep. The significant, private investment that is being proposed will help revitalize an under developed corner of the city and increase the overall quality of life for the neighborhood.

Please encourage neighborhood revitalization by supporting such a quality and expansive proposal.

Thank you.
