Transfers under this section are defined as the appointment to a position within the same pay range with the same rates of pay. Employees receiving a 3% salary adjustment under this provision shall receive a new salary anniversary date. The salary of an employee who voluntarily transfers back to the position originally held will be decreased by 3%. This provision shall only apply to voluntary transfers within a department to a different classification or the same classification with significantly different responsibilities or voluntary transfers between departments into the same or different classification as defined above.

Employees who apply to an open and competitive recruitment to a position that would be considered a voluntary transfer, shall be eligible for recruitment flexibility outlined under Part II, Section 3: Salary at Time of Appointment, Subsections B and C.
