RE: The Sucks Arena

Sir:

Thank you for wanting our input for  
the new Sucks Arena. Yes, keep it here!

There have been so many plans!

So much confusion.

It's taking too long and the owners  
are nowhere in sight anymore.

It's sad. The reason for all of  
their mess, confusion, tired, etc, is  
because:

The owners have not put up enough  
of their good faith money!

I feel they may do me in.

Thank you for inviting us to respond.

Sincerely,  
Dorothy L. Tennessen
