To the Public Works Committee

Subject: Common Council Resolution File Number 060681

Dear Honorable Members:

Returned herewith is Common Council Resolution File 060681, being a petition from Bar Louie Waterstreet, Inc. to construct and maintain a covered walk for the premises at 1114 North Water Street.

The applicant is desirous to have a covered walk in the 12-foot wide east sidewalk area of North Water Street at its main entrance. Said covered walk is 6 feet in width and projects 9 feet 7 inches into the public right-of-way. There are two vertical supports located approximately 2 feet east of the east curb of North Water Street.

It should be noted that a previous covered walk had been located at this same exact location by a previous tenant of the premises. That covered walk had been permitted in 2002 under Common Council Resolution File Number 011520. Said covered walk was removed from the public right-of-way and the special privilege resolution was rescinded.

We are not aware that the presence of said covered walk will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said covered walk to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
