Commissioner of Health

Re: Objection to License – 6221 North Teutonia Avenue

Enclosed is an objection from Alderman Ashanti Hamilton regarding the license application filed by Tessie L. Fehlhaber with the Milwaukee Health Department on January 19, 2007. Ms. Fehlhaber filed an application for a Food Dealer License with the Milwaukee Health Department on December 13, 2006 for a coffee/sandwich shop at the above noted location.

I am notifying your office of the objection as required in Section 68-4 (10) of the Milwaukee Code of Ordinances (MCO). In addition, in accordance with MCO Section 68-4 (15), whenever an objection is related to Section 68-4 (11) of the MCO, the City Clerk must notify the licensee of the licensing committee's intention to hear the matter.

Should you have any questions or require additional information, please do not hesitate to contact me or Loyce Robinson, Consumer Environmental Health Manager at 286-3674.
