To the Public Works Committee

Subject: Common Council Resolution File Number 110013

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 110013, being a resolution to grant a special privilege to Shasha LLC to construct and maintain a storm enclosure and permanent fence in the public right-of-way for the premises at 2012-2026 East North Avenue.

The applicant is requested permission to construct and maintain a seasonal storm enclosure projecting 6 feet 8 inches into the north, 15-foot wide sidewalk area of East North Avenue. A site visit revealed the presence of a permanently installed fence that projects 8 feet into the north sidewalk area of East North Avenue. The corner posts of said fence include hooks for hanging flower baskets and there are two metal planters mounted to two fence mid-posts.

We are not aware that the presence of said storm enclosure and fence will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, allow said items to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
