Subject: Economy Inn on Appleton Ave and Chapman

I have send you just a few of the most current and recent concerns I as a home owner .

The property has had many concerning issues but in recent years with today's incidents been as serious as it can get with the outcome could have been really bad for school age children who by the way didn't make it to school today because I was not allow to come our my house and go into my garage to have access to my vehicle so that I could take them to school was told not to come out my school but a individual who appeared to be of law official....because of the serious matter that was under way we got up to amber alerts and the sound of what seemed like bombs dropping, and that sound being so loud it shook the house having my kids running to the basement for safety and neighbors calling one other to check on one anothers well being and to question what was happening..When I looked out the window

what I saw in the alleyways were tanker trucks, camouflage clothes wearing men with visible guns drawn and one having a dog by a leash also swat FBI agents were onsite from a different angle it was like something seen on a CNN cast member reporting on the Russian and Ukrainian war..it was frightening to say the least.

This Economy Inn needs to be shut down..NOW!
