Douglas J. Weas

True to his Gemini nature Doug is a multi-faceted professional who looks at each day as a new opportunity. Founder and President of Weas Development Company, Doug's 20 years of experience includes principal roles at two of Wisconsin's largest general contracting firms. His leadership and commitment provide the base for innovation, synergy and a sense of pride among all those involved in each project.

EDUCATION: University of Wisconsin - Milwaukee

LIKES: Family, Golf, Change, Golf, Friendships, Golf, Work, Golf... you get the picture

RECOMMENDS: Creating your world within a four block radius in Whitefish Bay

IN ONE WORD: Blessed
