FINDINGS OF FACT

1. Mohammad I. El-Hassan, as agent for "Krayem, Inc." (hereinafter the "Licensee") is the agent for "Krayem, Inc." doing business at 416 East North Avenue in the City and County of Milwaukee, Wisconsin ("Quick Stop Foods"). Said license expires at midnight, November 11, 2006.
2. An application to renew said license was filed with the Office of the City Clerk on September 12, 2006.
3. Pursuant to Chapter 90 of the Milwaukee Code of Ordinances and Chapter 125 of the Wisconsin Statutes, the matter was referred to the Milwaukee Police Department for investigation. There was a Milwaukee Police Department report that could form the basis of non-renewal or suspension of this license dated September 13, 2006. There were also neighborhood objections to loitering, littering, parking and traffic problems, drug and criminal activity, failure to maintain the property in compliance with municipal ordinances, and conduct which is detrimental to the health, safety and welfare of the neighborhood.
4. On September 19, 2006, the City Clerk's Office provided timely notice to the Licensee, pursuant to Chapter 90 of the Milwaukee Code of Ordinances and Chapter 125 of the Wisconsin Statutes of the police report that could form the basis for suspension or non-renewal of the licenses of the Licensee. The matter was scheduled on the police report for a hearing on October 3, 2006 at 8:45 a.m. in Room 301B of the third floor of City Hall. At said date, time and place the licensee did appear and was not represented by counsel.

5. Based upon the sworn testimony heard and the evidence received at the hearing, the Committee finds the following:
- A. On December 2, 1999 the applicant was arrested for battery and disorderly conduct. The applicant was found guilty of battery (misdemeanor) on February 16, 2000 and the charge was amended to disorderly conduct (forfeiture) in circuit court. The applicant was found guilty of disorderly conduct (misdemeanor) on February 16, 2000 and fined \$200 and 60 days in the House of Corrections, and 9 months probation.
 - B. On January 1, 2003 at 3:18 p.m. officers of the Milwaukee Police Department responded to the licensed premises at 416 East North Avenue, Milwaukee, Wisconsin ("Quick Stop Foods") regarding trouble with a customer. The investigation revealed that a customer had been causing trouble and was kicked out of the store. The customer, however, states that he was battered by a store employee. When officers tried to check the store video tape, the machine had run out of tape and the incident was not recorded. The applicant was convicted of disorderly conduct on March 26, 2003. The applicant was cited for convenience store security camera required and found guilty on February 27, 2003 and fined \$165.00.
 - C. On March 14, 2003 at 4:30 p.m. a 20-year old police aide under the direction of City of Milwaukee police officers, purchased a 12-pack of beer from a clerk at the licensed premises at 416 East North Avenue ("Quick Stop Foods"). The clerk, Mustafa Mounir, was charged with sale to underage on May 8, 200e and fined \$100.00. The applicant was not cited.
 - D. On April 16, 2005 at 6:45 p.m., the applicant was cited for sale of alcohol to underage person at the licensed premises at 416 East North Avenue ("Quick Stop Foods").
 - E. On April 8, 2006 the applicant sold a tobacco product to an underage person at the licensed premises at 416 East North Avenue ("Quick Stop Foods"). Mohammad I. El-Hassan received a citation for sale of tobacco product to a minor.
 - F. In the years 2001, 2004 and 2005 this licensee was renewed with a warning letter for this premise. This licensee was first granted a Class "A" Malt license for this premise in 2002.
 - G. No neighbors appeared to testify as to the neighborhood objections.

CONCLUSIONS OF LAW

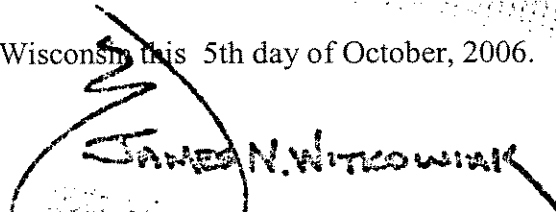

1. The Committee has jurisdiction to hold hearings and provided Findings of Fact and Conclusions of Law and a Recommendation to the full Common Council pursuant to Chapter 125 of the Wisconsin Statutes and Chapter 90 of the Milwaukee Code of Ordinances.
2. Based upon the above facts found, the Committee concludes that the licensee, Mohammad I. El-Hassan, as agent for "Krayem, Inc." at 416 East North Avenue has not met the criteria of Chapter 90 of the Milwaukee Code of Ordinances or Chapter 125 of the Wisconsin Statutes to allow renewal of his Class "A" Malt license without undergoing a ten (10) day suspension based upon the police report.
3. In order to protect the health, safety and welfare of the citizens of the City of Milwaukee, it is the recommendation of the Licenses Committee that the full Common Council of the City of Milwaukee should exercise its judgment to renew the Class "A" Malt license of Mohammad I. El-Hassan, as agent for "Krayem, Inc." for this premises located at 416 East North Avenue ("Quick Stop Foods") with a ten (10) day suspension.

RECOMMENDATION

Based upon the Findings of Fact and Conclusions of Law stated above, the Committee, by a vote of five (5) ayes and zero (0) noes recommends that the Class "A" Malt license held by Mohammed I. El-Hassan as agent for "Krayem, Inc." be renewed with a ten (10) day suspension.

Said suspension is to be in effect between 12:01 a.m. November 12, 2006 and midnight November 21, 2006.

Re: Report of the Renewal Application for a Class "B" Tavern and Tavern Dance license of Karen D. Hubbard, agent for Hubbard & Associates NA, Inc." ("Karen's Club") at 7330 North 76th Street in the City and County of Milwaukee, Wisconsin.

FINDINGS OF FACT

1. Karen D. Hubbard, agent for Hubbard & Associates NA, Inc. (hereinafter the "Licensee") doing business at 7330 North 76th Street in the City and County of Milwaukee, Wisconsin ("Karen's Club"). Said license expires at midnight, October 18, 2006.
2. The renewal application was mailed to the licensee before July 14, 2006. An application to renew said license was untimely filed with the Office of the City Clerk on September 5, 2006.
3. Pursuant to Chapter 90 of the Milwaukee Code of Ordinances and Chapter 125 of the Wisconsin Statutes, the matter was referred to the Milwaukee Police Department for investigation. There was a Milwaukee Police Department report dated September 6, 2006, which could form the basis for non-renewal or suspension of the license. There were also neighborhood objections to loitering, littering, loud music and noise, parking and traffic problems, public urination, trespassing, fights, shootings, drug and criminal activity, and conduct detrimental to the public health, safety and welfare.
4. On September 21, 2006, the City Clerk's Office provided timely notice to the Licensee, pursuant to Chapter 90 of the Milwaukee Code of Ordinances and Chapter 125 of the Wisconsin Statutes of police report that could form the basis for suspension or non-renewal of the license of the Licensee and the neighborhood objections. A copy of the police report was included with the notice. The matter was scheduled for a hearing on the police report and

neighborhood objections on October 3, 2006 at 9:15 a.m. in Room 301B of the third floor of City Hall. At said date, time and place, the licensee appeared and admitted receipt of the notice and police report. The licensee was not represented by counsel.

5. Based upon the sworn testimony heard and the evidence received at the hearing, the Committee finds the following:
 - A. On June 1, 2001 officers of the Milwaukee police department responded to back up other officers at a large crowd outside of the licensed premises at 7330 North 76th Street in the City and County of Milwaukee, Wisconsin (“Karen’s Club”). As officers arrived on the scene, they observed shots being fired from the parking lot. Additional officers responded, including the Tactical Enforcement Unit. The applicant related to the officers that she had rented the party room to an unknown person for a “Jam for Peace-After Set” and that no alcohol was served. She also related that this was an underage event and anyone under the age of 21 was to have left by 11:00 p.m. There was no notification of this underage event to the police department as required by state law and local ordinances. The applicant was cited for presence of an underage person. However, that citation was not issued by the City Attorney’s Office. The City Attorney’s Office did, however, issue a citation for disorderly conduct which was dismissed by the Municipal Court. An incident report was filed.
 - B. On October 29, 2001 at 2:07 a.m. officers of the Milwaukee police department were dispatched to the licensed premises at 7330 North 76th Street in the City and County of Milwaukee, Wisconsin (“Karen’s Club”) to investigate a fight. Upon their arrival, there were approximately 100 people in the parking lot engaging in loud and disruptive behavior. Several subjects were observed fighting in the parking lot. While attempting to clear the parking lot, officers came across a subject lying unconscious on the ground. That subject was an apparent victim of a battery. Two subjects who identified themselves as brothers of the victim intentionally interfered with the investigation. They were asked to back away from the scene but became belligerent. One had to be decentralized and taken into custody. Another person attempted to pull him away from police, and was also taken into custody.
 - C. On August 17, 2002, officers of the Milwaukee police department were dispatched to meet a supervisor regarding a premises check at the licensed premises at 7330 North 76th Street in the City and County of Milwaukee, Wisconsin (“Karen’s Club”). Upon arrival, they found six operating amusement machines being operated without licenses posted. Also, the Class “B” tavern license was not posted in the room where alcohol was being served. The licensee told officers that she had posted the Class “B” license but it kept falling down so she placed it in the office. The

licensee was cited for Class "B" license to be posted and it was dismissed on December 20, 2002 without prejudice. The licensee was cited for amusement game license not posted and on December 20, 2002 was found guilty and fined \$400.00.

- D. On May 8, 2004 at 1:49 a.m., officers of the Milwaukee police department were dispatched to a shooting at the licensed premises at 7330 North 76th Street in the City and County of Milwaukee, Wisconsin ("Karen's Club"). The licensee was on the premises and stated that she called the police because of a fight in the tavern. Approximately five females were involved in the fight. Initially, the licensee denied calling in the shooting. Police learned that there was a large fight involving many people in the tavern and that two females had left the tavern. However, they returned to the tavern and were bleeding and claimed they had been shot in the parking lot. The licensee, her son, a security person and a bartender denied hearing gunfire, but were reluctant to provide police with information regarding what had occurred. The victims had bullet fragments in their hands and back. The victims stated that there was a party at "Karen's Club" when a fight broke out between approximately 30-40 people. The security people pushed everyone out and someone fired shots into the crowds.
- E. On August 27, 2004, City of Milwaukee police officers were sent to a shooting at the licensed premises at 7330 North 76th Street in the City and County of Milwaukee, Wisconsin ("Karen's Club"). They found security personnel crowding around a car in the parking lot. The victim of the shooting was in the car and was pronounced dead. Witnesses stated that the victim was shot while in the car, in the parking lot. Several of the security personnel left the scene and were uncooperative. This incident was considered by the Licenses Committee on September 28, 2005.
- F. On September 19, 2005 at 1:54 a.m., City of Milwaukee police officers were dispatched to 7330 North 76th Street for a shooting complaint. Officers spoke with a security guard, identified as Johnathan Manyfield, who was on duty and stated he was located at the entrance of the door when he heard one gun shot and told everyone to get inside. Manyfield had everyone back away from the door and heard nothing further due to the music playing in the club. Manyfield further stated the next time he went to the door is when police arrived on the scene. Officers also spoke with Karen Hubbard, the licensee, who stated the club was closed for a private party. The investigation revealed that a subject, who was in the parking lot of Karen's Night Club, was shot. Officers separated and interviewed witnesses who all stated they did not know the subject who was shot, nor did they know who he was with. The gunshot victim was identified as James Teague. The Criminal Investigation Bureau

responded and filed a report regarding this incident. This incident was not considered for the 2005 renewal.

- G. On May 20, 2006 at 2:05 a.m., officers of the Milwaukee Police Department were dispatched to 76th Street and Good Hope Road for a shots fired complaint. Investigation revealed that 50-75 people were fighting in the parking lot and, as police arrived, began to flee. Officers were checking the parking lot for any evidence of shots fired or injured persons when other patrons from the licensed premises at 7330 North 76th Street ("Karen's Club") who were leaving told police that there had been a large fight in the parking lot, but they didn't know what it was over or who was involved. Officers checked inside the rear bar/banquet hall, where there were numerous people inside. No one appeared to be injured or in need of medical assistance. Patrons inside denied there was a fight. Other officers who were responding, were flagged down by a bouncer who stated there was a subject that had just been beaten up. Officers were led to the basement of the banquet room where they found a subject, identified as Cleotis Tuggles lying on the floor with what appeared to be a stab wound to the center of his chest. Tuggles also was bleeding from his face and had swelling as well. Conflicting and uncooperative witnesses hindered this investigation. Many patrons claimed there were no gunshots. Due to the lack of police help on scene, police were unable to detain anyone for further questioning that may have provided more information. Tuggles received medical treatment at an area hospital. A report was filed by the Criminal Investigation Bureau.

- H. On May 28, 2006 at 11:19 p.m., officers of the Milwaukee Police Department conducted a tavern check at the licensed premises at 7330 North 76th Street ("Karen's Club"). Upon arrival of the officers, several guests from a birthday party were leaving the premises. Guests had come from the back room, which was separated from the bar. Officers spoke with Karen Hubbard, the licensee, who stated her 19 year old daughter had a birthday party and that no alcohol was served. Officers found at least 30 bottles of beer in a cooler in the room the party was held in. Officers advised Hubbard that, per city ordinance, no alcohol should be in the room where minors are present.

- I. The prior record of this premises reveals that it was renewed with a 10-day suspension of the Class "B" Tavern license and a 30-day suspension of the Tavern Dance license in 2004 and renewed in 2001 and 2002 with a warning.

CONCLUSIONS OF LAW

- 1. The Committee has jurisdiction to hold hearings and provided Findings of Fact and Conclusions of Law and a Recommendation to the full Common Council

pursuant to Chapter 125 of the Wisconsin Statutes and Chapter 90 of the Milwaukee Code of Ordinances.

2. Based upon the above facts found, the Committee concludes that the licensee Karen D. Hubbard as agent for Hubbard & Associates NA, Inc. d/b/a Karen's Club at 7330 North 76th Street in the City and County of Milwaukee, Wisconsin has not met the criteria of Chapter 90 of the Milwaukee Code of Ordinances to allow renewal of her Class "B" Tavern and Tavern Dance license without undergoing a sixty (60) day suspension of said license.

4. In order to protect the health, safety and welfare of the citizens of the City of Milwaukee, it is the recommendation of the Licenses Committee that the full Common Council of the City of Milwaukee should exercise its discretion to renew the Class "B" Tavern and Tavern Dance license held by Karen D. Hubbard as agent for Hubbard & Associates NA, Inc. at 7330 North 76th Street in the City and County of Milwaukee, Wisconsin ("Karen's Club") with a sixty (60) day suspension.

RECOMMENDATION

Based upon the Findings of Fact and Conclusions of Law stated above, the Committee, by a vote of three (3) ayes and two (2) noes recommends that the Class "B" Tavern and Tavern Dance license held by Karen D. Hubbard as agent for Hubbard & Associates NA, Inc. at 7330 North 76th Street in the City and County of Milwaukee, Wisconsin ("Karen's Club") be renewed with a sixty (60) day suspension.

Said suspension shall be in effect from the time of the Common Council action on October 24, 2006 through midnight, December 22, 2006.

Re: Report on the Renewal Application of the Class "B" Tavern and Tavern Dance License of Juan J. Sendejo, Sr., for the premises located at 2325 South 13th Street in the City and County of Milwaukee, Wisconsin ("Johnny's Yellow Rose").

FINDINGS OF FACT

1. Juan J. Sendejo, Sr. (hereinafter "the Licensee") is the holder of a Class "B" Tavern and Tavern Dance License for the premises located at 2325 South 13th Street in the City and County of Milwaukee, Wisconsin ("Johnny's Yellow Rose"). Said license expires at midnight on November 3, 2006.
2. An application to renew said license was filed with the Office of the City Clerk on September 1, 2006.
3. Pursuant to Chapter 90 of the Milwaukee Code of Ordinances and Chapter 125 of the Wisconsin Statutes, the matter was referred to the Milwaukee Police Department for investigation. On September 6, 2006, the Milwaukee Police Department responded with a report that could form the basis for suspension or renewal of said license. There were also neighborhood objections to loitering, littering, loud music and noise, parking and traffic problems, public urination, trespassing, fights, shootings, drug and criminal activity, and conduct which is detrimental to the health, safety and welfare of the neighborhood.
4. On September 21, 2006 the City Clerk's Office provided timely notice to the Licensee pursuant to Chapter 90 of the Milwaukee Code of Ordinances and Chapter 125 of the Wisconsin Statutes of the Milwaukee Police Department report and neighborhood objections and included therewith a copy of the Milwaukee Police Department report. The matter was scheduled for a hearing on the police department report on October 3, 2006, commencing at 9:15 a.m. in Room 301B of the third floor of City Hall. At said date, time and place, the licensee appeared and admitted receipt of the notice and was represented by Attorney Peter Donohue, 610 South 5th Street, Milwaukee, Wisconsin 53204.
5. Based upon the sworn testimony heard and the evidence received at the hearing, the Committee finds the following:

- A. On January 10, 1998 at approximately 11:00 p.m. Milwaukee police officers responded to a shooting at the licensed premises at 2325 South 13th Street ("Johnny's Yellow Rose"). The investigation revealed that David Cherry (d.o.b. 12/19/76) was attending a birthday party at the location when he saw a window break and heard six gunshots. Mr. Cherry then noticed that he had been shot. Mr. Cherry stated that he did not see the shooter but stated that he knew it was a member of the Mexican Posse Street gang. A 17-year old witness stated that the suspect came into the hallway entrance with several other individuals, and at that point thought they were going to end up fighting. The 17-year old stated to a suspect "If we're going to fight let's just fight and get it over with." At that time the suspect stated "MP-C-14 Killers" and pulled out a pistol, pointed the gun in his direction and fired 2 or 3 times. The bullets struck Mr. Cherry. The suspect was identified and a warrant was issued for his arrest. The suspect turned himself in to police.
- B. On August 13, 2005 at 11:15 p.m. officers of the Milwaukee Police Department observed a large crowd in front of the licensed premises at 2325 South 13th Street ("Johnny's Yellow Rose") and began to conduct a tavern check of the tavern. Officers spoke to Leonel Valencia (white male, d.o.b. 5/26/71), who stated he had rented the hall from the licensee, Juan Sendejo. Mr. Valencia stated he was told that he could sell 400 tickets to enter the hall. The capacity for the hall was 240. Officers observed that the occupants appeared to be under 240, however, noticed that some of the patrons appeared to be underage. Officers were able to talk to the licensee, Juan Sendejo, who was bartending at his other tavern on South Kinnickinnic. Mr. Sendejo stated that neither he nor the company who rented the hall has a permit for an underage party. Mr. Sendejo stated he would meet the officers back at the licensed premises ("Johnny's Yellow Rose"). Mr. Sendejo then ordered everyone who was under the age of 21 out of the dance hall. The rest of the patrons were asked to leave the hall and reenter with a valid ID which caused many patrons to become angry. One woman identified as Ventura Nungaray (white female, d.o.b. 5/12/77) was yelling to the crowd "Don't leave until they give us our money back!" This kept the crowd from dispersing and made the crowd hard to manage. More squads were called in for crowd control. With additional units, the crowd became manageable, and the hall was shut down for safety reasons. Mr. Sendejo was cooperative with all police requests. A citation for disorderly conduct was issued to Ventura Nungaray.
- C. This premises was renewed with warning letters to the licensee in 2002, 2004, and 2005.
- D. Objecting neighbors complained to the Licenses Committee of numerous disturbances from noise and litter at this location, parking problems, gang activity, and fights attributable to patrons of this premises, particularly at closing time.

E. Particularly telling was a contemporaneous record kept by one neighbor, Mr. Arnold Ode, which demonstrated the issues regarding this premises for the year of 2006. That record demonstrates that Mr. Ode observed the following disturbances during the year 2006 alone:

F. Of concern to the Committee was the claim of the licensee and his supporters that a refuse dumpster had been stolen and not replaced because of an apparent dispute between the licensee and the commercial refuse company regarding liability for the stolen dumpster. Pictures submitted by the objectors and taken by one of the objectors reveal that the dumpster was not in any way secured, and that after its theft plastic refuse bags were merely laid outside of the premises. They leaked, smelled, created an infestation of vermin and flies. Liquid matter was picked up by automotive tires and driven throughout the neighborhood. Section 79-3-4 of the Milwaukee code of Ordinances provides in relevant portion:

4. FOR COMMERCIAL AREAS.

a. Receptacles to be Secured. The owners or operators of shopping centers, commercial or business establishments are to secure all of their solid waste receptacles not meant for public or their patrons' use and which are located on their premises but outside of any building. If such solid waste receptacles are not secured, the owners or operators of such shopping centers, commercial or business establishments shall provide enclosures constructed so as to prevent ready access to such receptacles. Such enclosures located on the property shall further be constructed so that they shall provide a compatible and practical arrangement on the premises and surrounding area.

b. Large Appliances to be Enclosed. Owners or operators of business and commercial establishments storing large appliances such as refrigerators, stoves, washing machines and other similar items outside of the building structure, shall provide enclosures of the area wherein such items are stored in the same manner and as provided in par a.

c. Definitions. For the purpose of subs. 3 and 4, the following

terms therein are defined as follows:

c-1. "Approved waste receptacles" shall mean those as provided and defined in s. 79-4.

c-2. "Secure" shall mean to be locked or closed in such a manner so as to prevent ready access to contents thereof.

c-3. "Shopping center" shall mean a group of commercial establishments planned and developed generally as a unit with off street parking facilities provided on the property for patrons of said establishments.

- G. It is clear that the activities regarding the illegal parking of cars, accumulating garbage bags causing the infestation of vermin, and amplified and loud music relate directly to the activities allowed by the tavern dance license, in addition to the Class "B" Tavern license.

CONCLUSIONS OF LAW

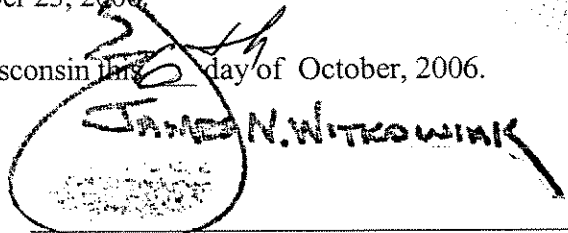

1. The Committee has jurisdiction to hold hearings and provide Findings of Fact, Conclusions of Law and a Recommendation to the full Common Council pursuant to Chapter 125 of the Wisconsin Statutes and Chapter 90 of the Milwaukee Code of Ordinances.
2. Based upon the above facts found, the Committee concludes that the Licensee, Juan J.
