SUBJECT: 1ST ALD. DIST. – FILE #030536
REMOVE ONE-HOUR PARKING
AND INSTALL NO PARKING ON
THE EAST SIDE OF N.38TH ST., FROM
W. LANCASTER AV. NORTH TO THE
DEAD END

Dear Alderman Pratt:

This is in response to your request on behalf of Ms. Barbara Brown of Opportunities Industrialization Center to install the above-captioned parking restriction.

Our Traffic Engineering staff has investigated this request and found that the installation of this parking restriction will permit trucks to maneuver to the loading docks. Since the property adjacent to this restriction is owned by this company we recommend the installation of this no parking restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours

Dear Alderman D'Amato:

This is in response to your request to have our staff verify parking sign installation with ordinance records on file in the Legislative Reference Bureau. We have discovered that the limits of the above-captioned restriction were not distinctively defined. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting, so that you may support it to final passage.

REMOVE PARKING RESTRICTIONS
VARIOUS LOCATIONS IN THE
4TH ALDERMANIC DISTRICT

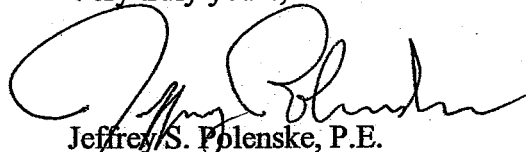

Dear Alderman Henningsen:

As part of our on-going effort to verify field parking sign installations with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the parking restrictions listed below are not present in the field. The area residents or businesses have not questioned the absence of these signs, and we believe that the restrictions are no longer needed. We, therefore, recommend that the ordinances be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

1. North 11th Street from West Kilbourn Avenue to a point north - No Parking
2. North 12th Street from West Clybourn Street to a point north – Two Hour Parking

INSTALL NO PARKING ON THE
SOUTH SIDE OF WEST BURLEIGH STREET
FROM NORTH 79TH STREET TO
A POINT 50 FEET WEST

Dear Alderman Bohl:

This is in response to your request on behalf of Ms. Kathy Mass to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found northbound motorists on North 79th Street have a difficult time seeing traffic traveling eastbound on West Burleigh Street when vehicles park close to the corner. Therefore, in the interest of public safety, we recommend installing this restriction to increase northbound motorists' visibility of eastbound traffic.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.
