To the Public Works Committee

Subject: Common Council Resolution File Number 060790

Dear Honorable Members:

Returned herewith is Common Council Resolution File 060790, which grants a special privilege to STI Florist, LLC for a business sign partially in the public right-of-way for the premises at 6066 North 76th Street.

The sign is located in the 11-foot wide sidewalk area of West Douglas Avenue approximately 367 feet west of the westline of North 73rd Street. Said sign projects 8 feet into the public way. It should be noted that there currently is no paved sidewalk in this segment of West Douglas Avenue nor are there plans to construct a sidewalk in this area in the near future. Should plans to construct a sidewalk on West Douglas Avenue be finalized and approved, the sign can then be ordered removed via resolution as stated in condition number 4 of the attached special privilege resolution.

We are not aware that the presence of said sign will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said sign to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
