Engagement Manager*

*The Autonomous Youth Council aims to recruit, train and position local youth within
decision-making bodies. This includes boards and leadership tables across
Milwaukee, as well as more informal structures. In these roles, youth will have the
power to influence decisions that affect them and speak up for what they need.*

*The Autonomous Youth Council launched with a 4-week in-person training academy in
July of 2024, allowing youth the opportunity to develop and hone their talents. The
content and structure of the training was shaped through youth and community
feedback, creating a more responsive and engaging educational experience.*

*The AYC placements provide year-long opportunities for youth to join key
decision-making bodies across Milwaukee, including boards and advisory councils. By
placing 2-5 council members at each organization - from Data You Can Use to Arts at
Large - we're elevating youth leadership and ensuring their voices shape critical
decisions. These placements will empower our young leaders to make a meaningful
impact in their community.*
