

Certificate of Appropriateness

Milwaukee Historic Preservation Commission/200 E. Wells Street/Milwaukee, WI 53202/phone 414-286-5712/fax 414-286-3004

Property	2810 - 12 W. STATE ST.	Concordia HD
Description of work	Install two light fixtures on the front lawn to highlight the house at 22 feet from the front of the house. They will be hidden by one of three species of pre-selected plants.	
Date issued	3/12/2018	PTS ID 114376 COA: lighting

In accordance with the provisions of Section 320-21 (11) and (12) of the Milwaukee Code of Ordinances, the Milwaukee Historic Preservation Commission has issued a certificate of appropriateness for the work listed above. The work was found to be consistent with preservation guidelines. The following conditions apply to this certificate of appropriateness:

1. Restore landscape restoration trenches are dug for hardwiring the fixtures.
2. Lighting shall be 400 lumens or fewer in a soft white color tone.
3. Lighting should be focused on architectural features, not anything in the landscape.

All work must be done in a craftsman-like manner, and must be completed within one year of the date this certificate was issued. Staff must approve any changes or additions to this certificate before work begins. Work that is not completed in accordance with this certificate may be subject to correction orders or citations. If you require technical assistance, please contact Dean Doerrfeld of the Historic Preservation staff as follows: Phone: (414) 286-5712 E-mail: Dean.Doerrfeld@milwaukee.gov.

If permits are required, you are responsible for obtaining them from the Milwaukee Development Center. If you have questions about permit requirements, please consult the Development Center's web site, www.milwaukee.gov/build, or call (414) 286-8210.
