Hello.

I am writing this letter of concern to the licensing and planning committees of Milwaukee.

and restaurant to open on a street where traffic and parking and is a large concern. The city has gone as far as changing the entire street from Downtown all the way to Brady Street over the last few years just to calm traffic noise and accidents down. It would appear if there is no longer any street parking since there is now a new luxury apartment building across thee street on North Van Buren Street and only a small parking lot at the property applying for the licenses, the problems stemming from parking and taxis would bring much unneeded noise to the neighborhood.

This thoroughfare also is a major bus route and the drivers have one lane heading North with islands in the middle of the street. If the business blocks traffic it will become a nightmare for our public transportation as well as the local residents who could rely on using N. Van Buren Street as their main source of transportation. The bicycle lanes are also in front of this business and there is no room for cars or people to be blocking traffic lanes.

Please reconsider the above circumstances and all the possible future complaints. There are not enough police to enforce the crowds at bar time. Milwaukee does not need another night club.

Sincerely,

.

Subject: Vick's On Van Buren

Good morning.

In response to the notice I received about the new application for a Class B Tavern at 1230 N Van Buren, I do have a comment.

I would strongly encourage the applicant, and those making the approval decision, to consider changing the name from Vick's to something that is not similar to the name of the previous tavern, Victor's.

Given the previous tenant's long reputation as an unsafe and unclean establishment, and especially in light of the recent murder and dismemberment committed by one of its employee's, I would strongly advise the new applicant, Pesqueira, to seek to distance themself, in image, and in name, from community recollections of the previous establishment.

If they are not aware, the old Victor's was already nicknamed "Victim's" by the community long before the horrific recent murder.

I feel strongly that the community will not welcome a business seeking to model itself after the last establishment.

Again, I would strongly encourage a change in the business name.

Thank you for your consideration.

Concern:

in this neighborhood for over 20 years, and the one persistent negative has been Victor's. The We have noise at bar time was intolerable—drunk patrons spilling into the streets at 2:00 AM, screaming, blocking traffic, and causing general disruption.

We used to call Victor's, but they claimed they had no responsibility for people once they left the premises. We contacted the police several times, but they often arrived two or three hours after the noise had subsided.

For the first time in years, sleep with our windows open during the summer. We do not want to relive the chaos of the old Victor's. If the new establishment will be a restaurant rather than a disco, we would welcome it. If not, we strongly oppose the return of a nightclub to our neighborhood.

Thank you,

Class B Tavern, Public Entertainment Premises and Food Dealer Licenses Application Requesting Instrumental Musicians, Disc Jockey, Bands, Dancing by Performers and Patrons Dancing

Tuesday, November 11, 2025 at 2:25 PM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 11/11/2025 at 2:25 PM in Room 301-B, Third Floor, City Hall. This is a public hearing. Those wishing to view the proceeding are able to do so via the City Channel – Channel 25 on Spectrum Cable – or on the Internet at http://city.milwaukee.gov/citychannel. Those wishing to provide oral testimony via internet are asked to contact the staff assistant, Yadira Melendez at (414) 286-2775 or stasst5@milwaukee.gov for necessary information. Please make such requests no later than one business day prior to the start of the meeting. You are not required to attend the hearing, but please see the information below if you would like to provide testimony. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

- 1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
- 2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
- 3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
- 4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
- 5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)

- 6. You may then provide testimony.
- a. Include only information relating to the above license application.
- b. Include only information you have personally witnessed or seen.
- c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
- d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
- 7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
- 8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
