Hello,

I am writing this letter of concern to the licensing and planning committees of Milwaukee.

I am appalled that the city would allow another bar and restaurant to open on a street where traffic and parking is a large concern. The city has gone as far as changing the entire street from Downtown all the way to Brady Street over the last few years just to calm traffic noise and accidents down. It would appear if there is no longer any street parking since there is now a new luxury apartment building across the street on North Van Buren Street and only a small parking lot at the property applying for the licenses, the problems stemming from parking and taxis would bring much unneeded noise to the neighborhood.

This thoroughfare also is a major bus route and the drivers have one lane heading North with islands in the middle of the street. If the business blocks traffic it will become a nightmare for our public transportation as well as the local residents who could rely on using N. Van Buren Street as their main source of transportation. The bicycle lanes are also in front of this business and there is no room for cars or people to be blocking traffic lanes.

Please reconsider the above circumstances and all the possible future complaints. There are not enough police to enforce the crowds at bar time. Milwaukee does not need another night club.

Sincerely,

Cox, Andrew

Subject: Vick's On Van Buren

Good morning.

In response to the notice I received about the new application for a Class B Tavern at 1230 N Van Buren, I do have a comment.

I would strongly encourage the applicant, and those making the approval decision, to consider changing the name from Vick's to something that is not similar to the name of the previous tavern, Victor's.

Given the previous tenant's long reputation as an unsafe and unclean establishment, and especially in light of the recent murder and dismemberment committed by one of its employee's, I would strongly advise the new applicant, Pesqueira, to seek to distance themselves, in image, and in name, from community recollections of the previous establishment.

If they are not aware, the old Victor's was already nicknamed "Victim's" by the community long before the horrific recent murder.

I feel strongly that the community will not welcome a business seeking to model itself after the last establishment.

Again, I would strongly encourage a change in the business name.

Thank you for your consideration.

Concern:

We have in this neighborhood for over 20 years, and the one persistent negative has been Victor's. The noise at bar time was intolerable—drunk patrons spilling into the streets at 2:00 AM, screaming, blocking traffic, and causing general disruption.

We used to call Victor's, but they claimed they had no responsibility for people once they left the premises. We contacted the police several times, but they often arrived two or three hours after the noise had subsided.

For the first time in years, I sleep with our windows open during the summer. We do not want to relive the chaos of the old Victor's. If the new establishment will be a restaurant rather than a disco, we would welcome it. If not, we strongly oppose the return of a nightclub to our neighborhood.

Thank you,

The camera sytem will be updated to 15 units with the hard drive in a secured room. An alarm sytem will be installed and exterior lighting updated.

There is a safe box on site in a locked office.

The agent was advised to install a camera near the alcohol storage area and office.

There will be a person at the entrance checking ID's after 9:00 PM. The business will operate mainly as a restaurant, so age restriction will not be enforced until after 9 PM.

End of report.
