To the Public Works Committee

Subject: Common Council Resolution File Number 111742

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 111742, being a resolution to amend a special privilege for change of ownership to Forest County Potawotomi Community and for addition of a duct package containing four underground conduits crossing West State Street.

Concordia College requested permission to construct and maintain a fence in the public right-of-way of North 32<sup>nd</sup> and North 33<sup>rd</sup> Streets to enclose its athletic field. Permission for said fence to occupy the public right-of-way was granted in 1972 under Common Council Resolution File Number 72-258. The applicant is presently requesting permission to construct and maintain an underground duct package crossing West State Street between North 33<sup>rd</sup> Street and North 32<sup>nd</sup> Street in order to connect the premises at 3215 West State Street and 3234 West State Street.

We are not aware that the presence of said items has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said items to continue to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer
