

February 20, 2006

To the Honorable, the Common Council

Subject: 2006 Capital Improvements Program
Infrastructure Services Division
Federal/State Aid Project
West Silver Spring Drive from
North 68th Street to North 43rd Street

Dear Council Members:

The 2006 Capital Improvements Program includes the improvement of West Silver Spring Drive from North 68th Street to North 43rd Street under the Surface Transportation Program. The Federal Program provides cost participation for the improvement of traffic control devices in conjunction with the highway paving.

Eighty percent of the total cost will be funded by the Wisconsin Department of Transportation (WISDOT). The local share, \$31,330.62, will be provided through the Division's existing Capital Improvement Program.

We have, therefore, prepared the attached resolution, which authorizes and directs the Commissioner of Public Works to execute a Local Forces Account – Local contract with WISDOT that allows City forces to install and/or modify traffic control facilities in conjunction with the improvement of West Silver Spring Drive from North 68th Street to North 43rd Street in the 2nd and 9th Aldermanic Districts.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
