To the Honorable, the Common Council

Re: Water Easement WE-876

Dear Council Members:

Submitted herewith is the above designated water main grant of permission for your authorization as to execution. The Milwaukee Water Works plans to operate and maintain an existing water main in City of Milwaukee property at the southwest corner of West Lisbon Avenue and North 49th Street. This grant of permission is necessary because the water main is located in vacated right-of-way.

We have prepared the attached resolution authorizing and directing the proper City officers to execute Grant of Permission, WE876. The original document is attached for execution.

We recommend adoption of the attached resolution.

Very truly yours,

Carrie M. Lewis, Superintendent
Milwaukee Water Works

Mariano A. Schifalacqua
