RE: Communication from Jennifer Anderson
C.I. File No. 1029-2023-2021

Dear Ms. Anderson:

The City of Milwaukee is in receipt of your claim for damages incurred as a result of a defect in the street in the area of 5400 West Hampton Avenue on November 7, 2023.

Wisconsin municipalities have discretionary immunity from liability for any damage that is due to a defect in a sidewalk or street. The City takes any report of defective streets or sidewalks seriously and upon notice of any defect, the Department of Public Works sends a crew to investigate and/or patch, repair or barricade the hazard. Under discretionary immunity, the City is generally not liable for damages.

City records indicated that prior to November 7, 2023 the City had no notice of this hazard in the roadway. Because of this lack of notice, and the City's discretionary immunity, the City is not liable for your damages.
