To the Honorable Committee on
Zoning, Neighborhoods & Development

Dear Committee Members:

On August 27, 2003, the Zoning Code Technical Committee held a hearing on File Number 030511, regulating certain 24-hour establishments. The committee reviewed the proposed ordinance for legality, enforceability, administrative efficiency and consistency with the zoning code. The committee found that the proposal meets these standards and moved that Substitute 1 of the ordinance containing certain technical changes made by the committee be forwarded to the Zoning, Neighborhoods and Development Committee for passage.

Sincerely,
