To the Honorable Committee on
Zoning, Neighborhoods & Development

Dear Committee Members:

On September 14, 2005, the Zoning Code Technical Committee held a hearing on FN 050549, an ordinance relating to principal building design standards for 2-family residential zoning districts.

The committee reviewed the proposed ordinance for legality, enforceability, administrative efficiency and consistency with the zoning code. The committee found that the proposal meets these standards and moved that this file be forwarded to the Zoning, Neighborhoods and Development Committee for passage.

Sincerely,
