To the Public Improvement Committee

Dear Honorable Members:

Attached is a resolution to fill Common Council File Number 041100. This file was previously submitted as a title-only resolution. It was introduced at the Common Council meeting of November 12 and referred to the Public Improvements Committee.

The City of Milwaukee and the State of Wisconsin DNR intend to enter into a Memorandum of Agreement (MOU) governing the development, funding, operation and maintenance of the Hank Aaron State Trail (HAST). This resolution authorizes the Commissioner of Public Works to issue a permit to the DNR allowing the DNR to operate and maintain those segments of the HAST that will be located off-road but within City public street right-of-way. The terms and conditions of the permit shall reflect the terms and conditions of the Memorandum of Agreement.

If you have any questions or would like any additional information, please contact Thomas Miller at extension 3304.

Very truly yours,

Jeffrey J. Mantes
Commissioner of Public Works
