Project/Program Title: GLG Grant / Sherman Park Neighborhood Survey and A.O. Smith Engineering Building National Register NominationGrantor Agency: Wisconsin Historical Society/Division of Historic Preservation & Local HistoryGrant Application Date: November 2010Anticipated Award Date: March 2011

1. Description of Grant Project/Program (Include Target Locations and Populations):  
The Grant has two components. The first is a photographic and historic survey of portions of the Sherman Park Neighborhood. The second is the researching and preparation of a National Register Nomination for the A. O. Smith Engineering Building.
  
2. Relationship to City-Wide Strategic Goals and Departmental Objectives:  
The survey of portions of the Sherman Park neighborhood will allow the identification of unique and important resources in the neighborhood. This is the first step in formulating strategies to preserve the neighborhood and provide tools to property owners to assist them in maintaining their properties.  
  
The National Register nomination for the A. O. Smith Engineering Building will give official historic status to a building long recognized nationally and even internationally for its groundbreaking technology. Listing will allow future developers to make use of historic tax credits. The redevelopment of the entire A. O. Smith complex, now known as Century City, is a current priority in the city's planning efforts.
  
3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):  
This grant allows qualified consultants familiar with historic preservation surveys and National Register preparation to do the in- depth research and field work required. City staff would be unable to handle the additional workload.
  
4. Results Measurement/Progress Report (Applies only to Programs):
  
5. Grant Period, Timetable and Program Phase-Out Plan:  
The grant period expires in July 2012 and all of the work must be completed by that time.
  
6. Provide a list of Subgrantees:
  
7. If Possible, complete Grant Budget Form and attach to back.
