Project/Program Title: **Birthing M.O.M.S. (Milwaukee Offering Moms Support)**

Grantor Agency: **Greater Milwaukee Foundation**

Grant Application Date: **12/06/2019**

Anticipated Award Date: **12/31/2019**

Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):

The purpose of the Birthing M.O.M.S project is to provide mothers with free, lead safe kits prior to hospital discharge. These kits contain educational materials, cleaning supplies, and a water filter pitcher and 1-year supply of refills. As public health professionals we are aware that exposure to lead in utero and/or early life can contribute to delayed fetal growth, infant morbidity and/or mortality. The MHD remains committed to promoting positive birth outcomes so families can live their best lives, which aligns with the MHD vision.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

The City of Milwaukee Health Department Home Environment Health expects to:

1. Serve a total of 150 mothers and 150 new born babies
2. Provide a lead safe kits which includes a water filter pitcher to allow them reduce lead dust exposure, learn lead safe cleaning practices, and drink lead-safe water.
3. This project will allow MHD to develop partnerships with local hospitals and reintroduce the importance of educating patients about lead poisoning prevention.

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

None.

4. Results Measurement/Progress Report (Applies only to Programs):

The Birthing M.O.M.S project will provide mothers with free, lead safe kits prior to hospital discharge. This grant will support MHD to serve 150 mothers. These kits contain educational materials, cleaning supplies, and a water filter pitcher and 1-year supply of refills

5. Grant Period, Timetable and Program Phase-out Plan:

January 1, 2020-December 31, 2020

6. Provide a List of Subgrantees:

COLE will support with the coordination of developing agreements with the hospitals, coordination of educational resources to ensure they are relevant for the moms benefiting from this project, and the evaluation for this pilot project.
