To the Public Works Committee

Subject: Common Council Resolution File Number 070356

Dear Honorable Members:

Returned herewith is the Common Council Resolution File Number 070356, being an amendment to a special privilege for change of ownership to Blatz Condominium Association, Inc. for brass logo plaques and brick pavers and for addition of a metal door frame encroaching in the public right-of-way for the premises at 270 East Highland Avenue.

Dominium Group, Inc. requested permission to install and maintain brass logo plaques in the sidewalk areas of East Highland Avenue and East Juneau Avenue and to install brick pavers in the sidewalk areas of East Highland Avenue, East Juneau Avenue and North Broadway. Permission for said items was granted in 1988 under Common Council Resolution File Number 872644. Upon further investigation, it was found that a metal doorframe also projects into the public right-of-way of North Broadway.

We are not aware that the presence of said items has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will amend the ownership of the above special privilege and will formally allow said items to continue to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes  
Commissioner of Public Works
