Honorable Mark A. Borkowski  
Alderman, 11th Aldermanic District  
Room 205, City Hall

SUBJECT: 11TH ALD. DIST. - FILE #211985  
INSTALL STOP SIGNS ON WEST MONTANA STREET/SOUTH 52ND  
PLACE AT SOUTH 53RD STREET

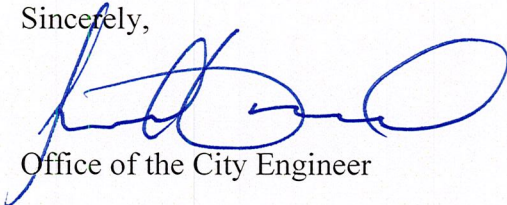

Dear Alderman Borkowski:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that due to the geometric configuration of the intersection and the difficulty associated with seeing vehicles entering the intersection the above-captioned control is warranted. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Office of the City Engineer

Honorable Marina Dimitrijevic

SUBJECT: 14TH ALD. DIST. - FILE #211985  
INSTALL NO TRUCKING 3 TONS OR OVER:

SOUTH CLEMENT AVENUE EAST BOUND,  
ON SOUTH BRUST AVENUE AT  
EAST OKLAHOMA AVENUE SOUTH BOUND,

ON SOUTH NEVADA AVENUE AT  
EAST OKLAHOMA AVENUE SOUTH BOUND

Dear Alderwoman Dimitrijevic:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our Traffic Engineering staff has investigated this request and found that since these streets are strictly residential and trucks are using it as a short cut, we recommend that heavy trucks be prohibited.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting so that you may support it to final passage.

Sincerely,

Office of the City Engineer
