1. Description of Grant Project/Program (Include Target Locations and Populations):

The City of Milwaukee Health Department's Annual Back to School Health Fair is a comprehensive community-wide effort that ensures greatly needed health services and school supplies for school-readiness to children in need in Milwaukee. Participants receive information and health services for children to be school-ready, including: immunizations, blood lead tests, vision checks, hearing and dental screenings, physical exams and glucose screenings. In 2009, the Back to School Health Fair will be offered at its traditional location at South Division High School *and* at a second location on the North Side of Milwaukee, providing a greatly expanded opportunity for client education and service in just one day.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

This effort aligns with Citywide and Departmental goals for improving child health through assuring adequate health coverage and supporting school readiness.
