I. INTRODUCTION

A. A. Background

In 2006, the State of Wisconsin enacted Wis. Stat. §66.1110, a legislative declaration created to give Wisconsin municipalities (i.e., cities, villages, and towns) the power to establish one or more Neighborhood Improvement Districts (NIDs) within their community. An assessment methodology is developed to allow the assessable residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood improvements and other activities as approved by the NID Board. The neighborhood improvement district statute was drafted similar to the business improvement district statute.

In 2016, the City of Milwaukee received a petition from property owners which requested the creation of a Neighborhood Improvement District for the purpose of revitalizing and improving the Harambee neighborhood area on Milwaukee's near east side. Harambee Neighborhood Improvement District ("Harambee NID") was approved by the Common Council in December of 2016 by Resolution #160894. NID law requires that every district has an annual Operating Plan to renew the Neighborhood Improvement District. This document is the proposed 2026 Operating Plan for the Harambee Neighborhood Improvement District. The HNID proponents prepared this Operating Plan with technical assistance from the City of Milwaukee Department of City Development.

B. B. Neighborhood History

The area that is now the Harambee NID #7 was originally settled by German immigrants moving north from downtown. It was used mostly as farmland and vacation homes until being urbanized later. Since the 1930s, Harambee has been a hub for African American culture and heritage. Originally settled by German immigrants in the 1800s, the African American community grew over the years and reached its height by the 1970s. Harambee was particularly attractive to working class families because of the modest and tidy single-family homes and proximity to downtown.

In the mid-1970s, residents adopted the name Harambee, the Swahili word for pulling together. Harambee's organizing culture is rooted in the civil rights movement. During the 1970s and 1980s, the neighborhood became organized with over one hundred active block clubs. Residents fought against school and housing segregation, institutional racism, and economic divestment that faced the community.

Harambee has become a model for urban renewal as residents and community leaders work together to reduce crime, develop state-of-the-art housing, bring social services and educational programs to the neighborhood, support a flourishing arts community, and provide healthy living options to the heart of the neighborhood. Now, the Harambee NID #7 is home to families, several thriving businesses, and organizations.

The area is anchored by the Clinton & Bernice Rose Park and the King Drive Library. The Victory Garden Initiative provides urban agriculture programming in the area, together with Bader Philanthropies, and other neighborhood organizations. Habitat for Humanity has constructed over 100 homes in the area since 2007. The area is also home to a variety of restaurants and coffee shops notably Cream City – A Social Eatery on our southeast border and Kuumba Juice and Coffee on the north, the Beerline Trail, 5 Points Art Gallery and Studios and many more amenities.

C. Principal Office & Registered Agent

The Principal and Registered Office of the Harambee NID #7 is Riverworks Development Corporation, 526 E. Concordia Avenue, Milwaukee, WI 53212. The Registered Agent of the Harambee NID #7 is the Chair of the NID Board or is assigned by the Board.

II. DISTRICT BOUNDARIES

The boundaries of the proposed district are illustrated on the map in **Appendix B** of this plan. A complete listing of properties included within the district is provided in **Appendix C**. The boundary for the Harambee Neighborhood Improvement District (“Harambee NID”) encompasses the areas designated: Capitol Drive on the North, Center Street on the South, I-43 on the West, and Holton Street on the East, excluding properties including in the Historic Martin Luther King Drive Business Improvement District #8 and the East Capitol District Business Improvement District #25, see Appendix B – District Map.

The Harambee NID may update the appendices as part of its annual Operating Plan. For purposes of this plan, the boundaries are collectively referred to as the “**Harambee Neighborhood Improvement District.**”

III. PROPOSED OPERATING PLAN

A. Plan Objectives:

The objective of the Harambee NID is to build a stronger community and improve the value of properties in our neighborhood through community led investments in improvement projects and services.

B. Proposed Activities – 2026:

Principle activities to be engaged in by the district during the 2026 operation will include:

1. Assistance to Homeowners

- Operation of a grant fund ("Grant Fund") to help homeowners of single-family homes and duplexes within the Harambee NID boundaries make critical repairs and improvements to their properties. (Total Reinvestment minimum is \$100,000)
 - The criteria and types of the grants will continue to be modified by the NID Board to ensure accountability and utilization of the Grant Fund to ensure funds are meeting community needs to stabilize the housing market in the Harambee NID #7 area.
- The Board of Directors of the Harambee NID #7 may at any time amend grant prioritization, amount of each grant, and any other qualifying criteria.

2. Community Organizing

To encourage a return to the organizing roots of Harambee:

- Promote and expand participation in the Safe Neighbor Program across Harambee
 - Connect with other residents who may be interested in forming or joining block clubs and becoming block ambassadors
- Organize residents and provide resources for leadership development and activism to address neighborhood concerns
- Provide information and resources for residents in the Harambee NID #7 boundaries, up to \$1,500 total.

3. Community Micro Grant

- Create a community activation micro grant pilot program aimed at all residents. Up to \$500.00 per grant with a total budget of \$2,500

4. Engagement and Outreach

- Engage the community to support the revitalization of the Martin Luther King Elementary Schoolyard Redevelopment plan with a proposed total financial investment of \$10,000 upon approval by resident vote to be held at the 2025 Annual Meeting.

C. Proposed Expenditures - 2026:

Proposed Budget attached as Appendix D. The Harambee NID Board shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

D. Financing Method:

It is proposed to raise approximately \$180,000 through Harambee NID assessments (see Appendix C). Funds will also be pursued from foundations and other fundraising events. The Harambee NID may seek private financing for programming secured by this year or future operating years of the Harambee NID.

E. Organization of NID Board:

As outlined in **Wisconsin Statutes § 66.1110(4)(a)(1–6)**, the Harambee NID #7 shall hold an annual election to elect a Board of Directors to the District Board (the "Board") consistent with the terms of this subsection and the Bylaws of the Harambee NID. The

Board's primary responsibility will be the implementation of this Operating Plan. The Board shall be responsible for the implementation of this Operating Plan.

This requires the Board to:

1. Negotiate with providers of services and materials to carry out the Operating Plan.
2. Enter into various contracts.
3. Monitor the effectiveness of the District's activities,
4. Ensure compliance with the provisions of applicable statutes and regulations; and to
5. Make reimbursements for any overpayments of District assessments.

Wisconsin Statutes § 66.1110(4)(a)3. requires that the local legislative body (NID #7) set the time and place for a meeting at which members of the Neighborhood Improvement District Board shall be elected. The local legislative body must publish a Class 2 notice of the Annual Meeting in accordance with Wisconsin Statutes, Chapter 985. The notice shall specify that all individuals who own or occupy real property within the neighborhood improvement district are eligible to serve on the Board and to vote in the election.

The Harambee NID Board shall be governed in accordance with its Bylaws and consistent with the following:

1. Board Size
 - The board shall consist of at least five members but no more than seven.
2. Composition
 - All board members shall be owners or occupants of property within the district. The Board shall elect its Chairperson from among its members.
3. Term
 - All directors elected to the Board shall serve for a period of one year starting March 1st to February 28th or 29th. See Appendix G.
 - Directors may be re-elected.
4. Compensation
 - No compensation will be given to Board members for attendance at board meetings.
5. Meetings
 - All meetings of the Board's affairs shall be held pursuant to Wisconsin Statutes §§ 19.31–19.39 Public Records Law requirements.
 - The Board shall meet regularly, at least once every 3 months.
 - The Board shall adopt rules of order (Bylaws) to govern the conduct of its meetings.
6. Staffing and Office
 - The Board may employ staff and/or contract for staffing services pursuant to this Operating Plan and subsequent modifications thereof.

- The Board may also maintain an office for the district, which shall be located within or adjacent to the district.

7. Method of Electing Directors to District Board

- An annual meeting at which Directors of the Board will be elected shall be held on the **second Saturday of December** each year of the district's existence.
- Prior to the Annual Meeting, the City shall publish a Class 2 notice that contains the time and place of the Annual Meeting. The notice shall specify that all individuals who either own or occupy real property within the district are eligible to serve on the Board and to vote in the election.

8. Changes

- Any change in the Board's size, composition or election methodology must be approved by a two-thirds majority of the entire Board, subject to approval by the Common Council.

D. Relationship to other Organizations:

The Harambee NID #7 is a separate entity supported by Riverworks Development Corporation (RDC). Members, Officers, and Directors of each organization will support, collaborate, and partner with one another. However, RDC, as a non-profit organization, will not act as the Harambee NID #7's fiscal agent. Consequently, RDC is not subject to Wisconsin's Open Meeting laws and is not subject to the public records laws **except** for its records generated and meetings held in connection with the Harambee NID #7 pursuant to its contract with the Harambee NID #7.

The Harambee Neighborhood Improvement District #7 intends to contract with Riverworks Development Corporation to provide services to the Harambee NID #7 in accordance with the Administrative Agreement contract and this Operating Plan.

E. Ownership of Property:

The Harambee NID #7 does not hold or own property.

III. METHOD OF ASSESSMENT

A. Assessment Rate and Method

The principle behind the assessment methodology is that each property should contribute to the Harambee NID in proportion to the benefit derived from the Harambee NID. After consideration of other assessment methods, it was determined that for residential properties, the number of residential units was the characteristic most related to the potential benefit provided by the Harambee NID. For commercial properties it was determined that a flat fixed fee was most appropriate.

Therefore, a fixed assessment of \$50 per residential unit (\$100 for a duplex) for residential properties was selected as the basic assessment methodology for residential properties in the Harambee NID ("Residential Methodology").

In the event a property contains both residential units and commercial use, the Residential Methodology shall apply.

Maintaining an equitable relationship between the Harambee NID assessment and the expected benefits requires an adjustment to the basic assessment method. To prevent the disproportional assessment of a small number of high value properties, a maximum assessment of \$500 per parcel will be applied.

As of January 1, 2025, the property in the proposed district had a total assessed value of approximately **\$274,035,601** and approximately **2,408-parcels**. In the Appendix under List of properties/assessment shows each property included in the district that is being assessed by the Harambee NID.

B. Excluded and Exempt Property

Property within the district that is exempt from general real estate taxes shall not be assessed.

IV. PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. City Plans:

1. In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming, and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File 6 Number 881978, adopted January 24, 1989.
2. The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services, and tax base rather than passively accepting loss of jobs and population or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the Common Council gave new emphasis to forging new public and private partnerships to accomplish preservation.
3. The District is a means of formalizing and funding the public-private partnership between the City and property owners in the Harambee neighborhood and for furthering preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City is expected to play a significant role in the creation of the Neighborhood Improvement District and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan and provide assistance as appropriate thereafter.
 2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.
 3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
 4. Receive annual audits as required per sec. 66.1110 (4)(c) of the NID law.
 5. Provide the board, through the City Assessor's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the NID assessments.
 5. Encourage the State of Wisconsin, Milwaukee County, and other units of government to support the activities of the district.
- C. Petition for Termination of the NID
- The City shall terminate the neighborhood improvement district if one of the following occurs:
1. The owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan, using the method of valuation specified in the operating plan, file a petition with the planning commission requesting termination of the neighborhood improvement district.
 2. The owners of property assessed under the operating plan having an assessed valuation equal to more than 50 percent of the assessed valuation of all property assessed under the operating plan, file a petition with the planning commission requesting termination of the neighborhood improvement district.
 3. The owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan fail to file a petition with the planning commission to continue the neighborhood improvement district within one year of the date on which the membership of the board changes from a majority which represents commercial properties to a majority that represents residential properties, or vice versa.

VII. FUTURE YEAR OPERATING PLANS

A. Phased Development

1. The Harambee NID will continue to revise and develop the Operating Plan annually, in an ongoing commitment to respond to the District's changing

development needs and opportunities and the purposes and objectives defined in this initial Operating Plan. Wisconsin State Statute Section 66.1110 (6)(b) of the NID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document generally outlines the complete development program, it utilizes previous year's activities and information on specific assessed values, budgets, and assessment amounts to inform annual Plan updates. It will provide greater detail about the subsequent year's activities.

2. The Harambee NID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the approval of the City of Milwaukee.

B. Amendment, Severability and Expansion

This Harambee NID has been created under authority of Section 66.1110 of the Statutes of the State of Wisconsin ("NID Statute"). Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the Harambee NID, and this Harambee NID Operating Plan shall be amended to conform to the law without need of reestablishment.

Should Legislature amend the Statute to narrow or broaden the process of a NID so as to exclude or include as assessable properties a certain class or classes of properties, then this NID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act.

VIII. Contraction with Harambee NID

Any contract with the Harambee NID shall be exempt from the requirements of Sec 62.15, Wis. Stats. because such contracts shall not be for the construction of improvements or provision of materials. If the Harambee NID does contract for the construction of improvements or provisions of material, it shall follow the requirements of such statutes to the extent applicable. Further, the annual accounting required under Sec 66.608 (3) (c) Wis. Stats., shall be deemed to fulfill the requirements of Sec 62.15 (14) Wis. Stats. The Harambee NID Board of Directors and the City of Milwaukee shall comply with the provisions of Sec. 66.60 before the City inserts assessments for this NID plan onto the tax bills for the parcels assessed thereunder, only to the extent required by law, to create a lien on the parcels assessed. The Harambee NID may provide grant support to organizations that include the cost of staff; however, the Harambee NID shall not have employees directly and shall contract with a responsible third party for any administration of grant funds.

HARAMBEE NEIGHBORHOOD IMPROVEMENT DISTRICT #7

CLINTON ROSE SENIOR CENTER | 3045 N DOCTOR M.L.K. JR DR

MISSION

The Harambee Neighborhood Improvement District (NID) is a community-led, quasi-governmental organization dedicated to stewarding funds to support owner-occupants and residents. Our purpose is to enhance Harambee's thriving community by funding essential home repairs and stabilizing residents to ensure long-term neighborhood strength. We place special emphasis on assisting our elderly neighbors through the Legacy program, empowering resident voices, and nurturing leadership among residents and businesses. The Harambee NID fosters transparent communication, encourages community-led active engagement, and shared responsibility to help shape Harambee's future.

NEIGHBORHOOD IMPROVEMENT DISTRICT #7

2024 CHAIRPERSON RICK BANKS

It has truly been my honor and privilege to serve as Board Chair for the Harambee Neighborhood Improvement District #7 during the 2024-2025 term. I want to extend my deepest gratitude to my fellow board members, our community stakeholders, and Riverworks Development Corporation for their unwavering dedication to serving the Harambee community.

Since its inception in 2017, the Harambee NID has proudly assisted nearly 100 homeowners with critical repairs, helping families stay in their homes and strengthening the fabric of our neighborhood. This work is about more than fixing houses—it's about building generational wealth, fostering financial empowerment, and creating a community where every resident can thrive.

This past year, we built on that foundation in exciting ways. We hosted our very first Harambee Holiday Celebration, bringing neighbors together to share joy and community spirit. We reformed our grant process to make it more transparent and accessible for residents. And we launched the Community Improvement Grant, empowering neighbors to lead projects that beautify and strengthen Harambee.

These milestones reflect our shared vision: a vibrant, connected, and resilient Harambee. I am proud of what we've accomplished together, and I look forward to seeing this momentum continue for years to come.

Harambee Proud!

2025 CHAIRPERSON LAKESHA WILDER

As I step into the role of Board Chair, I look to 2025 with optimism and excitement. My focus this year will be on strengthening our foundation and working together to expand our impact in Harambee. We will streamline the Home Repair Program, expand our reach through increased community-based collaborations, and revitalize our online presence with a comprehensive rebrand. We also want to welcome more residents into the process, encouraging participation at meetings and shaping a three-year impact plan guided by the voices and direction of our community.

I am deeply grateful for the leadership and dedication of our outgoing Chair, whose work provides a strong foundation for the future. Looking ahead, I believe that through open communication, collaboration, and a shared commitment to our mission, we can bring about real and lasting change. I look forward to connecting with each of you, hearing your ideas, and put our "Boots on the Ground" alongside you to serve our community.

"I'm excited to step in as Board Chair and work alongside you to empower Harambee residents. Together, we'll grow our programs, welcome more voices to the table, and create a plan that reflects what our community wants for the future."

NOTE A - Summary of Significant Accounting Policies

Organization

Harambee Neighborhood Improvement District (the "Organization") is organized for the purpose of providing owner-occupants and neighborhood-based homeowners of the Harambee neighborhood funds in order to conduct essential repairs to their homes and provide local jobs with the goal of stabilizing property values and home ownership in the defined area, with the goal of full occupancy.

The Organization is exempt from tax as an affiliate of a governmental unit under Section 501(a) of the Internal Revenue Code.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Accounting Method

The financial statements of the Organization have been prepared on the accrual basis of accounting.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents include all highly liquid debt instruments with original maturities of three months or less when purchased.

Contributions and Grant Revenue

Contributions received and unconditional promises to give are measured at their fair values and are reported as increases in net assets. Contributions are considered available for the Organization's general programs unless specifically restricted by the donor. Contributions received with restrictions that are met in the same reporting period are reported as revenue without donor restrictions and increase net assets without donor restrictions. Conditional promises to give are not recognized until they become unconditional. A conditional contribution is one that has both a barrier that must be overcome and an agreement requiring advance payment to be returned or future payment not to be obligated when the barrier is not overcome. Amounts received for which the donor has limited the use of the asset or designated the gift as support for future periods are considered restricted support and included in net assets with donor restrictions. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. When the restriction on a contribution is met in the same reporting period as the contribution is received, the contribution is reported in net assets without donor restrictions.

Contributions of assets other than cash are recorded at their estimated fair value at the date of the gift. Donated services are recognized as contributions if the services create or enhance nonfinancial assets or the services require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Accordingly, the value of contributed time that does not meet these requirements has not been determined and is not reflected in the accompanying financial statements.

HARAMBEE NEIGHBORHOOD IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024
(See Accountant's Review Report)

NOTE A - Summary of Significant Accounting Policies (continued)

Functional Expenses

The Organization allocates costs directly to program, management, or fundraising when appropriate. Certain expenses are attributable to one or more programs or supporting functions of the Organization. Those expenses include salaries and employee benefits which are allocated based on estimates of time and effort.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE B - Comparative Financial Information

The financial information shown for 2023 in the accompanying financial statements is included to provide a basis for comparison with 2024. The comparative information is summarized by total only, not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity to accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2023, from which the summarized information was derived.

Certain amounts in the 2023 financial statements have been reclassified for comparative purposes to conform to the presentation in the 2024 financial statements. Net assets and changes in net assets are unchanged due to these reclassifications.

NOTE C - Liquidity

The Organization has financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures and to pay obligations as they come due. The Organization's operations are primarily funded by assessment income received from the City of Milwaukee. None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditures.

As of December 31, 2024, the Organization had cash and cash equivalents on hand of \$126,483.

NOTE D - Concentration of Risk

The Organization receives property tax assessment income and grants from the City of Milwaukee. The Organization's operations rely on the availability of these funds. Most of the Organization's revenue was from the City of Milwaukee for the year ended December 31, 2024.

HARAMBEE NEIGHBORHOOD IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024
(See Accountant's Review Report)

NOTE E - Assessment Income

In order to provide revenues to support the Organization's mission, the Common Council of the City of Milwaukee enforced an assessment on property located within the Harambee neighborhood. The assessment is \$50 per residential unit (\$100 for a duplex), with a maximum assessment of \$500 per parcel.

NOTE F - Management Arrangement

Under an arrangement with the Riverworks Development Corporation (RDC), the Organization is provided with office facilities, administrative support, and other overhead-related costs. For the year ended December 31, 2024, administrative fees were \$40,000 and accounting fees were \$2,400.

NOTE G - Subsequent Events

The Organization evaluated subsequent events and transactions for possible adjustments to the financial statements and disclosures. The Organization has considered events and transactions occurring after December 31, 2024, the date of the most recent statement of financial position, through April 1, 2025, the date the financial statements are available to be issued, and determined there were no events that needed to be disclosed.
